

Teenage Bonspiel At Curling Club

Peter Peyser, chairman of teenage curling in the Ardsley Curling Club, has announced the first Ardsley curling club teen-age bonspiel with over 54 teen-agers participating. There will be teams from Nashua, N.H.; Winchester, Mass.; Norfolk, Conn.; Darien, Conn.; Schenectady, N.Y.; Utica, N.Y.; Philadelphia, Pa. There will be 16 teams competing.

Curling among young people has become a fast growing sport in the United States over the past five years. As can be expected, the teen-agers are introducing a number of innovations in the game.

All of the visiting teams will be housed in homes in Irvington.

Curling will start at 9:30 Saturday morning and will continue until 5 p.m. that afternoon and will start at 8:30 on Sunday morning, with the finals being played at 1 p.m. Sunday afternoon.

The Ardsley Curling Club, located at the Ardsley Country Club, will welcome visitors at the matches.

FOLLOWING last weekend's Curling competition at the Ardsley Country Club's links, the group got together for an Awards Luncheon at the club and shown above are: Mrs. Robert O. Whitman, Mrs. Richard C. Wells, Mrs. Langdon Hockmeyer and Mrs. Edwin L. Sibert, Jr. Curling clubs from St. Andrew's, Darien (Conn.) and Plainfield (N.J.) participated at the Ardsley Club's "brand-new" facility.
