

Dear ~~Sam~~ Ed:

1937-38

Here is my offering to start things off for 1937-38.

I have check off those members of last year who have signed up. Brennan and Kinney have said NO, but are probably looking for a little urging.

The last column contains all the old members that I can think of. I believe they should be extended the courtesy of another invitation. There are also some new and familiar names. Undoubtable you have further ones to suggest. Why dont you add yours and get together on it some day soon, maybe next Sunday.

The names not marked in the 1937 active list are only because I haven't checked them yet.

I have suggested to Barton that he cover a few of the older members who probably wont be active but shouldn't be forgotten.

Sincerely,

Dear Guy

I hate to be a pest about this business of curling. Perhaps I am unnecessarily concerned about the problem of building up our membership and my worries may turn out to be merely a symptom of the itch to get at it caused by these chilly days.

Last year, as you know, we had only twenty-nine members and as a result the club had to dip in to its very limited surplus in order to meet expenses. In my opinion, we really should have at least thirty-six members, not only to produce the necessary income but to maintain enough players to form rinks. I know from past experience that in spite of evident pleasure, it takes salesmanship to put over the idea to most of the people who sign up. There are only a little over two weeks left before the curling will actually begin.

Would it not be a good idea to assign a certain number of names to members of our club who have enthusiasm and ability to convince?

It also occurs to me that it might be a good idea to put up a notice on the bulletin board of the Frisley Club, outlining the activities of our club, the cost and that there might be a few vacancies in our limited membership for additional applicants.

There should be several good prospects among the new tenants in Hudson House, such as Fred Lawson and others. What would you think of appointing George Williams and Charlie Stover to the job of securing a few of these tenants for our membership? Ashley Thorndike should be a good prospect. Is there any chance of getting Paul Wilholland back?

In sending out the proposed return postcard are you planning to include ex-members as well as last year's members? Some of the old members might come back.

Please don't think me a bore in this matter. I just have a feeling that this year particularly with all of the activity that lies ahead of us at St. Andrews we should make certain that we have a full and active membership. If I can help in any way, please let me know.

Sincerely,

(Signed)

William A Kimbel

NOTICE

TUESDAY, NOVEMBER 29, 1938
is the date of the opening of the curling season.

ON THAT EVENING

at 6:30 Brooms will be Stacked (New Members:
 this simply means that the "brithers",
 a Scotch term meaning brothers or fellow
 curlers, will assemble at that hour at
 the bar at the St. Andrews Club to prepare
 for the later activities.)

at 7:00 Dinner will be served at the St. Andrews
 Club, followed by informal curling.

IF YOU CANNOT attend the dinner, and you will miss
a lot of fun if you don't come, please let
the Secretary know: he is Albert Shaw, Jr.,
52 Vanderbilt Avenue, MUrray Hill 6-2198 or
Hastings-on-Hudson, Hastings 1681.

NEW MEMBERS: Please note that rubber soled shoes,
rubbers or arctics are a necessity, sweaters
and warm gloves a sound idea.

ALL MEMBERS: Edward H. Lockett, 15 Broad St., New York
City, is your treasurer. His lot will be easier,
and his mind freer for curling, if members will
mail him checks for their dues (\$20) at an EARLY,
rather than at a later date.

As usual, members of the Ardsley Curling Club
will have the privilege of signing bar and
dining room checks at the St. Andrews Club
during the curling season.

Respectfully,

Your Secretary

WILDS CUP COMPETITION

Enclosed is the Wilds Cup assignment of rinks, together with the schedule as it effects the three Ardsley rinks.

The committee has set up this competition with the idea of including as many curlers in this competition as is possible. A rule therefore is imposed that only one man can be borrowed from another rink for any one match, and he must play #1. With this rule it is hoped that skips and vice-skips will first exhaust all their alternates before they borrow a substitute from another rink. Alternates can play in any position on the rinks to which they are assigned, even to skip.

There is a very full schedule of curling set up by St. Andrews this year. It can be easily upset by frequent postponements. With the quantity of curling power assigned, there is no conceivable reason for a postponement by any Ardsley rink. Skips and vice skips are not obliged to skip or play. If they find it impossible to meet a schedule match, they are urged to appoint a temporary skip from their alternates and get a rink on the ice. Let's try to have every member get at least one shot at a Wilds Cup competition.

* * * * *

CURLING DINNER

There will be a grand curling dinner on Friday, December 16th at St. Andrews. All the rinks in the Douglas and 50th Anniversary Bonspiels will be there. All Ardsley members are invited to attend. The fee is \$2.00 with cocktails included. Please notify the Steward at St. Andrews if you will attend, no later than Wednesday, December 14th.

Curling for the Douglas will start on Friday, December 16th morning and will continue through Sunday the 18th. All member clubs of the Grand National Curling Ass'n. will be represented as well as six from Canada. If you want to see top flight curling, sit in on these matches, and by all means come to the dinner.

* * * * *

TUESDAY NIGHT CURLING

The curling committee begs your indulgence in the matter of Tuesday night curling. We have too many curlers for one night, but there is plenty of ice to be had and the committee will soon set things up so that the ice will not be overcrowded. It will probably be Monday night curling for two rinks every third week.

* * * * *

As soon as the committee gets a little more line on the new members the Windeler Rinks will be assigned. This intra-Ardsley competition will begin after the New Year.

FIRST WILDS MATCH

* * * * *

Ardsley #3 (Lovekin) lost a wowzer on Wednesday to Pheasants #2 (Blake) - 11 to 10. All even, going into the last end, Steve pulled a 45° angle promote for the counter on his last stove. Blake closed his eyes, missed his shot and in the ensuing bogle, up jumped the devil out of no where to cut Steve out by a straw's width.

Donald the Quacker pleads: "Old Members as well as New:

Pul-lease -- Wipe your feet thoroughly before going on the ice -- put burnt matches and ashes in the gobboons -- Don't fill your pipe on the ice for particles of tobacco burn through the ice right down to the paper and make a nasty stain -- pick up broom straws from the curling surface -- get up on the cat walks when you aren't curling. Class dismissed!"

BONSPIEL DINNER FRIDAY NIGHT!

If you have not already done so, call up St. Andrews Club (Hastings 674) at once and make your reservation (\$2.00).

MONDAY NIGHT CURLING

Ice is available every Monday night until further notice. To relieve over-crowding on Tuesdays let Secretary Shaw know if you want to curl Monday. This past Monday Throckmorton with two first year curlers (Howlett and Lewis) on his rink ignominiously defeated Shaw fully equipped with old-timers. Hail to the new blood! New members, go and do likewise. Monday night curlers also viewed a thrilling match wherein McLeod of Ardsley challenged Kellogg of Mahopac for the Kimbel Plaque. For the first few ends Doc's rink lead by a comfortable margin. Kellogg caught up and they entered an extra end all even at 14-14. After lengthy, but gentlemanly, urging on the part of the skips, and great tossing of coins, Mahopac cast the first stone of the last end which rested on the button. There it stayed, ably guarded, and the defenders, Kellogg skipping, retained their title, 15-14.

LUCKETT BEATS EDDISON

In a Wilds Cup match Ardsley #3 took Ardsley #1 by a score of 12 to 8. Luckett was backed by Hollister, Stover and Ringland, while Eddison had Townsend, Plummer and Williams.

P. S.

Donald the Quacker says: "At a Bonspiel Dinner the brooms are stacked so high that even a duck can't fly over the top!"

BONSPIEL GREAT SUCCESS

For those who attended the matches over this past weekend there is nothing to add - for those who missed them let me say they missed something. The Eddison Ardsley rink lost to Utica in the quarter-finals, Utica going on to win in the finals. The Ogden Ardsley rink lost a heart-breaker to Blake's St. Andrews in the quarter-finals. A good time was had by all.

TUESDAY PAST

A good evening of pick-up curling was enjoyed by 2 less than three full rinks. Holidays evidently relieved the over-crowding. Next week the same will probably be true, so don't go over on Monday night unless you are sure of some companions. Next Tuesday will be as usual.

MERRY CHRISTMAS TO ALL!

ARDSLEY CURLING CLUB

Curling on Tuesday night Jan. 3, 1939 - Townsend eked out a narrow one over Southpaw Lockett by a score of 9 to 8 ... all tied going into the last end. On the center or exhibition ice, Stone-riding Eddison rode roughshod over Kimbel, 14 to 5.

Below are the Windeler Cup rinks. There are 8 of them this year, and are divided into 2 sections of 4 each. Each section will play a round robin, and the winners of each section will meet for the possession of the Windeler cup and medals. Skips are warned they must play members of their rinks if possible, and if impossible, they are allowed only one substitute from any other rink, and he must play lead.

On this schedule 2 Windeler games are scheduled for both Mondays and Tuesdays - if dates are not agreeable to Skips, it is suggested they try to shift to the other night as there are 3 sheets of ice available for both nights. It would also be well to notify the rink man if you intend to shift so there will be no disappointments.

Treasurer Lockett would like to know if you cannot slip your Curling dues on top of the bill pile for early consideration.

Dinner Tuesday Night, January 24th -

An Ardsley Curling Club get-together dinner will be held next Tuesday evening at the St. Andrews Club at 7 o'clock. Broom Stackers will assemble at 6:30.

On that evening Ardsley Rink #1 meets Ardsley Rink #2 in the Wilds Cup Series. The other two sheets of ice will be used for Point Curling. This will give the new members a chance to demonstrate the skill they have acquired so far this year, and prove they are as good as, or better than, many of the old curlers.

Please return the enclosed card promptly so that your Secretary may notify the steward at St. Andrews concerning the number who will attend the dinner.

Windeler Matches -

On Monday night, Robinson nosed out McLeod in a tightly fought match - score 9 to 8. The redoubtable Ogden swamped Shaw's "Ardsley Lane Ducks" (the Skip apologizes to the members of his rink for this depreciatory cognomen suggested by Donald, the quacker) by a score of 20 to 3.

Tuesday evening saw two close matches. Peabody and his "Chrissies" defeated Luckett by 9 to 7, and Kimbel beat Eddison 11 to 10 in an extra end. Skip Bill feeling rather cocky as he entered the last end, leading by 4, nearly fainted when Barton's last stone pulled some unexpected ricochets and tied the score. However, he pulled himself together and scored one in the final end.

Big Time Curling

Grand National Curling Club of America has announced its dates for the "Grand Tour" at Schenectady on Saturday and Sunday, February 11th and 12th. There will be competitions for the Gordon Medal and the R. S. Emmett Memorial Medal. Ardsley can enter one rink in each competition.

At Tuesday night's dinner, the following announced their availability to make this trip.

| | |
|----------|----------|
| Eddison | Plummer |
| Hastings | Ringland |
| Kimbel | Robinson |
| Lockett | Shaw |

Since some of these may drop out, or because some extras might get a chance to curl, anyone desiring to make this trip please let the secretary know.

Next on the program is a three day meeting at Utica on Wednesday, Thursday and Friday, February 15, 16 and 17. It was apparent at the dinner that there would be more difficulty in getting together two rinks to go to Utica. Only two men at the dinner were sure they could go - Eddison and Finn. Ogden, Plummer and Shaw said yes with reservations. In the past this has been a trip of great interest and enjoyment. The best rinks from all over the United States and Canada attend, and anyone going is sure to come back with a hatful of buttons. It is hoped that when the time comes, Ardsley can send two rinks. Make your plans now and let the secretary know.

For those who live thru Schenectady and Utica, there is more curling at Saranac Lake on Sunday and Monday, February 19 and 20.

Bourbon Superior to Scotch

KENTUCKY COLONEL POLICE COMMISSIONER ARDSLEY CURLING CLUB TREASURER (have you paid your dues?) SKIP ED LUCKETT, and his Ardsley Duck Soups defeated the canny Scotchman We Willie Cuthbertson, and his Caladonians, Wednesday night by a score of 12 to 8. In an exciting match, Cuthbertson led for nine ends. In the tenth, Ardsley pulled into the lead at 8 to 7. In the eleventh end, Ardsley scored four more, giving them a lead of five which the Caladonians shaved by one in the 12th.

Tuesday night after a dinner attended by 22 of the members, Ardsley's #1 and #2 rinks met in their Wilds Cup Match. Skip Ogden bolstered by a six end, took Barton 16 to 8. The rank and file elected to play matches instead of point curling and a pleasant evening was had by all.

SAVE TUESDAY, MARCH 7th

The final dinner of the season will be held at St. Andrews at 7 o'clock. The winners of the Windeler Cup will be presented with their medals. The Windeler finals will be played Sunday, February 26th, afternoon between Robinson and Kimbel. In the upper bracket of the Windeler matches, which had resulted in a triple tie, Lockett beat Peabody and the "Chrissies" by the overwhelming score of 19 to 1. Last Sunday afternoon, however, still weak from the after effects of his trip to Utica, Lockett succumbed to Kimbel by one stone in an extra end. (Poor Ed was so exhausted that he was unable to join his wife at a cocktail party).

OUT-OF-TOWN CURLING

Ardsley sent two rinks to Schenectady on February 11th. In the Gordon Medal, Eddison-Lockett-Townsend-Hollister were beaten in the first round by our old friends the Caladonians, 12 to 8. This medal was won by Schenectady in the finals.

The Ardsley rink which competed for the R. S. Emmett Memorial Medal was composed of McLeod-Ogden-Shaw-Plummer. They lost their first match to Utica, 13 to 10. The Caladonians won the medal.

The next week, Eddison-Lockett-Shaw went to Utica. As a lead, they picked up a Utica Curler, Mr. A. L. Lockwood. Mr. Lockwood proved a tower of strength, and with his able assistance Ardsley, after beating the Country Club in the first round, the Caladonians in the second, went on to beat Schenectady in the finals to win the Mitchell Medal. By winning this medal, Ardsley is entitled to send a rink to Montreal on March 17th to compete for the Royal Caladonian Trophy. The other two American clubs to be represented will be Schenectady, winner of the Gordon Medal, and Saranac Lake, as winner of the medal won there last Monday. Sixteen rinks compete for the Royal Caladonian Trophy, thirteen from various parts of Canada, and three from the United States.

Skip Eddison will be happy upon request to display the Mitchell Medal, which is reposing in the safe at St. Andrews.

ARDSLEY CURLING CLUB

THE 1939-1940 SEASON will open on Tuesday evening, December 5th. The date is a week later than usual because water is low due to the dry season, and it takes water to make ice.

Dinner will be served at the St. Andrews Club at 7 o'clock. Brooms will be stacked at 6:30 (or earlier). Curling after dinner. Don't miss this opening session.

The Curling Committee has been working on plans for the season which will assure fun for all. This committee is made up of Finn, Hastings, Lockett, Robinson and Throckmorton.

Please mail checks for dues (\$20.00) to the Treasurer - John F. Plummer, Jr., Ardsley-on-Hudson, New York.

A card is enclosed. Please return it promptly so that dinner reservations can be made.

ARDSLEY CURLING CLUB

The three Ardsley Rinks failed to bring home the bacon in the Utica and Playland Cup Matches, but enjoyed some good matches nevertheless.

Throckmorton with James, Baker & Mairs were defeated in the first round of the Utica by Skip Hahn and his Callipygians, who went on to the finals. In the Playland, Throck was beaten by the Goops.

Ogden, Robinson, Hastings and Ringland were put out of the Utica by Dick Neiley's Pheasants, who won the cup last year. In the first round of the Playland, they defeated Farmington, but in the semi-finals were put out by Blake's Pheasants No. 2 rink, who went on to win the Playland.

Eddison, Lockett, Shaw and Plummer beat Kellogg and his Mahopacs in the first round of the Utica; Dick Neiley in the second, but were beaten by Willie Cuthbertson and the Caledonians in the semi-finals. Willie beat Ted Hahn in the finals.

About fifty people enjoyed the banquet Friday night, which broke up at four in the morning, although none of the Ardsleyites stayed to see the finish.

.....

Last Tuesday enough showed up for two matches. Eddison beat Sutphen 15-7, and Hastings beat Lockett 13-11. The consensus of opinion was that Tuesday Curlers should show up promptly at 8 o'clock so that Curling could start and they could be early to bed.

The cost should not be excessive, using day coach to Boston Friday evening and back Sunday evening. Let us know at the dinner Tuesday night if you can make it.

QUEBEC INVITES

The Ardsley Curling Club is invited to send a rink to Quebec's 27th Annual International Bonspiel, January 22nd to 27th. Entry fees \$3. per person. If anyone wants to get a rink together, fine! It would be a great trip.

ARDSLEY CURLING CLUB

CONCERNING BROOKLINE TRIP

The Bonspiel at The Country Club (January 27th and 28th) will necessitate a \$5.00 per man entry fee. However this covers a banquet, refreshments, and a special badge for those attending. Matches commence at 10 A.M. on Saturday. There will be a consolation event.

The following expressed a wish to go on this trip: Fiske, Fraser, Hastings, Lewis, Lockett, Mairs, Plummer, Prior, Ringland, Robinson, Shaw, Throckmorton and Williams. If, because of the entry fee or any other reason, any of the aforementioned curlers wish to withdraw their names, let me know at once. Only two rinks are invited from any club, therefore only eight men can go. The Curling Committee will meet promptly to select the rinks.

WINDELER MATCHES

After a hearty dinner Tuesday night, the First Windeler matches were played. The scores were Hastings 13 to Robinson's 8; Eddison 17 to Lockett's 9; and Throckmorton 12 to Peabody's 4. So three rinks are out of the 000 class! Let the others go and do likewise.

THROCK STILL CURLS 1,000 !

In a close and exciting match Throckmorton held his lead by beating Robinson 12 to 8. Eddison with a two-man rink (Plummer was the rink) defeated Peabody's rink (skipped by Sedgewick) 10 to 6. Hastings beat Lockett 16 to 14 in a match featured by a 6 end for Lockett followed by a 7 end for Hastings. Skips, try to get out full rinks!

BROOKLINE

Ardsley curlers did well, whether on land or ice. Their elbows never gave out.

Hastings' rink reached the finals of the consolation to meet defeat at the hands of The Country Club. Lockett's rink reached the semi-finals of the first flight only to be taken by the The Country Club rink which took the final match from another of The Country Club rinks which had taken Jimmy Ingram's St. Andrews outfit in the semi-finals. Throckmorton was licked in the semi-finals of the consolation. Altogether, not so bad.

ARDSLEY CURLING CLUB

DINNER TUESDAY NIGHT -

At St. Andrews on Tuesday, February 13th, will be a dinner for Ardsley curlers. Two remaining Windeler matches will be played. Last Tuesday Eddison beat Hastings in the only match played that night, leaving the box score -

| | <u>Won</u> | <u>Lost</u> | <u>To Play</u> | |
|--------------|------------|-------------|----------------|-------|
| Throckmorton | 4 | 0 | 1 | 1.000 |
| Eddison | 4 | 1 | 0 | .800 |
| Hastings | 3 | 2 | 0 | .600 |
| Luckett | 2 | 2 | 1 | .500 |
| Peabody | 0 | 4 | 1 | .000 |
| Robinson | 0 | 4 | 1 | .000 |

Therefore, if next Tuesday, Throck beats Ed Luckett, he is the winner. If he loses, he will be tied with Barton for first place, and a play-off will be required.

Since Peabody and Robinson are the two bottom rinks, their last Windeler match can, if they so decide, settle the possession for the coming year of the .000 Trophy. Since the requirements call for a 12 end match, one extra end must be played.

Be sure and let me know if you will not attend the dinner.

AT SCHENECTEDY -

In the first round of the Gordon, the Ogden, Robinson, Ringland, McLeod rink was beaten by Willie Guthbertson, who went on to win the medal. The Eddison, Luckett, Townsend, Finn rink, in the Emmet, beat Schenectedy and Boston, but were licked by Farmington in the semi-finals. From the state of the returning curlers it must have been a tough weekend.

JOINT DINNER WITH ST. ANDREWS

On Tuesday, February 27th, Ardsley and St. Andrews Curlers will stack brooms together, dine together, and spend the evening in friendly competition on the ice. Be sure to come, and be sure to return the enclosed card early, so that plans can be made for the memorable occasion.

COMING OUT-OF-TOWN EVENTS

For Brookline, March 1st, 2nd and 3rd, the following have expressed a desire to go on the trip: Eddison, Fiske, Hastings, Luckett, Mairs, McLeod, Ogden, Peabody, Prior, Ringland, Robinson, Shaw and Throckmorton. If any more of you want to go, let Ed Luckett know before Sunday, February 18th, when the rinks will be picked by the Curling Committee.

For Montreal, March 16th, the following have applied: Eddison, Hastings, Howlett, Luckett, Mairs, McLeod, Prior, Robinson, Shaw and Throckmorton. Any others, call Luckett!

WINDELERS STILL WIDE OPEN:

On Tuesday, Luckett gave Throck his first defeat of the season, thereby leaving Throck and Eddison tied in the lead. Don't miss the playoff, next Tuesday night.

At the other end of the ladder Robinson, by beating Townsend (skipping for Peabody), 12 to 4, not only escaped from the hole, but by this signal victory has become the winner, and holder for one year, of the .000 TROPHY. Let him take good care of it, - moth balls if necessary.

LAST NIGHT -

Next Tuesday evening will be the last night of curling at St. Andrews. Lets all be there!

There only remains the Gordon International at Montreal on March 16th. Ardsley will be ably represented by Eddison, Luckett, Prior, and Finn. More power to them.

PAY YOUR BILLS -

Plummer really needs the \$150. owed the club by Fiske, Lovekin, Mairs, Ogden, Sedgewick, Storms, Sutphen and Throckmorton on past due accounts. So relieve his mind and mail checks to him at Ardsley-on-Hudson.

-SAME OFFICERS -

At the dinner last Tuesday the present officers were steamrollered back into office for next season. The NEW DEAL is not the only powerful organization (not to mention Irvington).

Here's to a good 1940-1941 season anyway!

DINNER DATE CHANGED --

Due to unforeseen circumstances, it has been necessary to change the date of the Joint Ardsley - St. Andrews dinner to Tuesday evening, March 5th. If you have already returned your card, I will assume the answer to be the same, unless you let me know to the contrary.

If you have not mailed the card yet, please change the date on the card to MARCH 5th, and send it along.

Albert Shaw, Jr.

Secretary.

February 19th, 1940.

EXECUTIVE COMMITTEE MEETING.

A meeting of the Executive Committee of the Grand National Curling Club of America was held at the Utica Curling Club, Utica, N. Y., February 9, 1940, with the following in attendance:

OFFICERS

Robert L. Davies, Pres.
Franklin King, Vice-Pres.
Lambert Grant, Secy.-Treas.

REPRESENTATIVES

Christian Arndt, Jr., St. Andrews Golf Club
Carll I. Kellogg, Mahopac C.C.
E. H. Lockett, Ardsley C.C.
C. V. Ferguson, Schenectady C.C.
R. D. Pryde, Race-Brook C.C.
C. C. Patterson, Jr., The Country Club
James Whyte, Caledonian C.C.
J. I. Farrell, Utica C.C.

Saranac Lake C.C., Hartford C.C., Farmington C.C., Boston C.C., and Winchester C.C. were represented by proxy.

President Davies presided.

Minutes of the last meeting were read and approved.

The report of the Secretary-Treasurer, having been duly approved by the Auditing Committee, was then read, and showed a balance on hand as of February 9, 1940 of \$319.03, with all dues collected.

The Chairman then directed the attention of the Committee to the questionnaire which was sent to all clubs, advising of matters to be discussed at the meeting, and each subject was disposed of in order.

THE ROYAL CALEDONIAN TROPHY

The method of choosing the three rinks to represent G.N.C.C. in this event, held annually at Montreal, evolved considerable interest. The merits of each of the three plans outlined in the questionnaire were considered carefully, with the final selection of Plan III. The vote indicated all in favor of this plan with the single exception of the representative from Schenectady, who immediately moved to make its adoption unanimous.

The plan follows:

Selection of the rinks shall be made from clubs winning each district or sectional competition to be played prior to the date set for the Royal Caledonian Trophy. Districts to be made up as follows:

- District 1. Utica, Schenectady, Saranac Lake.
- District 2. Mahopac, Hartford, Ardsley, Caledonian, Farmington.
- District 3. The Country Club, St. Andrews, Winchester, Boston C.C., Race-Brook.

Each club shall have the privilege of entering two rinks.

All matches to be played on artificial ice.

An entry fee of \$4.00 per rink shall be paid to the Secretary of the club upon whose ice the matches are played, and he in turn shall remit this money to the Secretary-Treasurer of the G.N.C.C.

District Medals will be awarded to members of the winning rinks in each district.

It is the recommendation of the Committee that this plan be tried for one year, and thereafter if found to be conducive to the best interests of the organization.

MEDALS

A detailed written report, submitted by Mr. S. S. Curran of Utica at the request of the President, indicated that several bars on the G.N.C.C. medals are missing, and that the cost of bringing them up to date, exclusive of any deficiencies that may be found on the Patterson Medal and the Smith Cup, which were not examined, would be \$167.00.

The Committee agreed that it is of great import to have the records on these medals as accurate and complete as possible, and authorized the President to proceed with the work, as outlined in Mr. Curran's report.

A resolution designed to provide individual medals to members of winning rinks in all G.N.C.C. contests met with unanimous support. To defray the resultant expense, the Committee passed to charge a small fee of \$1.00 per person for all entries in bonspiels conducted under the auspices of the G.N.C.C. These fees to be paid to the Secretary or Treasurer of the host club, who shall in turn remit the same to the Secretary-Treasurer of the G.N.C.C.

With this additional revenue, the G.N.C.C. will also assume the cost of placing bars on each medal, said bar to have the names of the winning club and the date inscribed on the face, and the names of the winning rink on the reverse side.

This program to become effective during the season 1940-1941.

The Committee does not expect that sufficient funds will be available during the first year to permit the fulfillment of the entire program, but as much will be done as can be afforded, and the remainder completed the following year.

Any member of a winning rink prior to the aforementioned date may purchase a medal by making proper application in writing to the Secretary-Treasurer.

THE DOUGLAS AND GRIFFITH MEDALS

The President expressed his great desire for the return of these medals to the fold of the G.N.C.C., and asked the representative from St. Andrews if his club would consider such a move, provided that the same privileges which they now enjoy in regard to extending invitations would be allowed. Mr. Arndt ventured an

opinion that, with such an assurance, the St. Andrews Golf Club would be glad to return the medals. The Committee thereupon agreed to extend this privilege to the St. Andrews Club, with the understanding that invitations be confined to clubs who are affiliated with some recognized curling association. Mr. Arndt was asked to convey to his club the Committee's cordial invitation to return these medals once again to the G.N.C.C.

INTERNATIONAL - GORDON MEDAL.

The Committee expressed its approval of the recent method of selecting rinks to represent the G.N.C.C. in this contest, and recommended that the same procedure be followed this year.

CONSOLATION TROPHIES

During a discussion arising over the need for consolation matches for first round losers in the Allen Medal at Utica and the Gordon and Emmett Medals at Schenectady, Mr. Patterson stated that The Country Club would gladly change the deed of gift applying to The Country Club Cup to allow for its use as a consolation trophy in both the Mitchell and Allen contests. The Committee voted to accept Mr. Patterson's suggestion, with thanks.

Mr. Ferguson promised to see what can be done towards providing a similar trophy for the matches in Schenectady.

SCHEDULE.

The Committee unanimously endorsed the present plan of scheduling our bonspiels on weekends, but recommended to the Schedule Committee that it give consideration to the advisability of having an interval of two weeks between each contest.

JUNIOR (ROUC) BONSPIEL

The report of the Chairman of the Junior Bonspiel Committee, Mr. Richard P. Hallowell, 2nd, indicated that the experimental event held at The Country Club January 27-28, 1940, was quite successful, and recommended a permanent place for it in the annual schedule of the G.N.C.C. The report was accepted as read.

It was pointed out that Mr. Andrew Dykes of New York City had, on a previous occasion, signified his willingness to present to the G.N.C.C. a trophy in memory of his late father, Mr. Frank Dykes, who served for many years as Secretary of the G.N.C.C. The Committee instructed the officers to contact Mr. Dykes with the purpose of accepting the trophy for this particular contest. It shall be called The Frank Dykes Trophy, and play shall be limited to those not actively engaged in curling for other G.N.C.C. trophies. It was further recommended that the qualifying regulations be not too stringent.

Mr. Lucius Hill, a member of The Country Club, very generously offered to present a suitable consolation trophy for this contest. It was passed unanimously to accept Mr. Hill's offer, with the Committee's grateful appreciation of his kindness and thoughtfulness.

THE ANNUAL

It was passed to approve the action of the officers in their decision to print another edition of the Annual, which has not appeared since 1931. The approximate cost was reported to be about \$150.00.

CONSTITUTIONAL AMENDMENTS.

A Committee consisting of Mr. C. Campbell Patterson, Jr. and Mr. Franklin King, appointed by the President to suggest necessary changes to the Constitution prior to the printing of the new Annual, submitted its report in writing, and the same was approved in whole, subject to their later acceptance at the Annual Meeting.

CHANGES TO RULES.

A written report of the Committee appointed by the President, consisting of Mr. R. D. Thompson, Mr. John Young, and Mr. T. P. Eldred, Jr., to recommend necessary changes to the rules of the game, and also rules for medal plays, was read and approved, subject to their later acceptance at the Annual Meeting.

NEW MEMBERS.

The Secretary reported that applications for membership were received from the Albany Curling Club and the Nashua Country Club. Both applications were accepted, subject to ratification at the Annual Meeting.

There being no further business to come before the Committee, the meeting was adjourned.

(Signed) LAMBERT GRANT
Secretary-Treasurer.

Dear Ed:

I assume that you will soon be making plans for this coming curling season and that you will be tackling the question of membership. It occurs to me that you may find a fertile field in the old Acheson house just off the eighteenth green of the Ardsley golf course. There is a group of very attractive young bachelors who have rented this house, all of whom should be potential curlers and very definitely desirable members.

If Al Shaw does not happen to know them, I am sure my nephew, Dick Clarke, who is anxious to join the Ardsley Curling Club this winter, would be glad to be of help in building up an interest in this group.

Sincerely,

P.S. As I explained to you when I ran into you recently at the station, both copies of my book "Curling in Switzerland" are missing. Practically every member of the Curling Club borrowed these books at one time or another. For sentimental and other reasons, they are valuable to me, particularly as this book is out of print. Will you please help me find these books.

CHANGES IN WINDELER RINKS AND SCHEDULE

Due to extended absences from Ardsley, Doc McLeod and Stu Peabody have begged off from skipping rinks. Therefore it has been decided to reduce the number of rinks competing to six, and to assign the men who were on these two rinks to others. The new rinks are as follows:

- No. 1 - Eddison, skip-Sedgewick, Townsend, Clark, Shradly
- No. 2 - Hastings, skip - Williams, Howlett, Fraser, Brooks
- No. 3 - Ogden, skip - Ringland, Lewis, Moran, Conway, Warner
- No. 4 - Robinson, skip - Finn, Blanton, Donnelly, Brewer
- No. 5 - Shaw, skip - Lovekin, Sutphen, Van Alstyne, Stevens
- No. 6 - Throckmorton, skip - James, Mairs, Baker, Wood, Coleman

REVISED SCHEDULE

Tuesday, Feb. 18 - #1 vs. #4... #2 vs. #6 ... #3 vs. #5

WINDELER OPENING DINNER

The dinner on Tuesday night was enjoyed by those attending, but many missed Bill Kimbel's stirring talk on curling and the Windeler Cup which was put up for annual competition by Bill's friend and father-in-law. Two matches were played, in which Ringland, skipping for Ogden, and backed up by Lewis, Moran and Mairs, handily defeated Throckmorton, James, Stevens and Conway, 12 to 5. Robinson, with Finn, Blanton and Donnelly took his neighbor Ad Hastings, with Williams, Howlett and Brooks to the tune of 19 to 6. Guest Kimbel in a pickup match showed his old time skill by defeating that other old timer, Eddison.

DYKES MEDAL BONSPIEL

This competition will be held at St. Andrews on Saturday and Sunday, January 25 and 26. Last year at Brookline it was called a Junior bonspiel and the medals bore the magic letters "R.O.O.U.C." - Royal Order of Unborn Curlers. Three Ardsley teams made the trip and had a royal time. Brookline has four sheets of ice to St. Andrew's three, hence Ardsley will only have two entries this year. Tentative rinks as selected on Tuesday night by the Curling Committee (thinking that there were

Jan. 16, 1941

to be three) were Shaw, Williams, Townsend, Blanton; Sutphen, James, Finn, Fraser; Ringland, Mairs, Howlett and Lewis; with Brooks, Moran and Stevens as substitutes. This will have to be revised on the basis of two rinks and the new lineups will be decided on Sunday.

WRONG NUMBER

Your secretary blushes to think that errors crept into his carefully prepared list of phone numbers. Please make the following corrections on your list.

Ogden's phone is Bryant 9-6990, and his home phone should be crossed out.

Throckmorton's business phone is changed to Whitehall 4-7200.

Please let me know of any other errors.

Albert Shaw, Jr.
Secretary.

ARDSLEY CURLING CLUB

To All Members of the Ardsley Curling Club:

In the absence of Al Throckmorton I have appointed a Membership Committee of Ed Fiske, Chairman, Alec Blanton, George Williams, Cuyler Stevens, and Al Shaw. We hope that we will have a large membership this year and to help us organize will you please fill out and return the enclosed card to Ed Fiske as soon as possible. Our financial arrangements with St. Andrews depend on our membership, but in any event our club dues will not be more than \$25.00 plus \$2.50 tax.

St. Andrews plans to have curling as usual this winter, and Ardsley will have its regular night of curling either Tuesday or Wednesday. Will you please indicate on the enclosed card which night you prefer.

Grand National Events will be held as usual at St. Andrews and Utica. Schenectady is out for this year. The Country Club will hold their regular Stockton Bonspiel, and we hope to have the Gordon Matches at Montreal.

The Windler Cup will be competed for and last but not least the keen competition to see who will not win the "000" Trophy.

St. Andrews plans to run off the Wilds Cup Matches on Saturday and Sunday. Ardsley should have four rinks in this competition, and should have three rinks in both the Utica Cup at St. Andrews the last of December and the Douglas Cup early in January.

The ice will be ready the last of this month and we will start with a supper at St. Andrews.

Rinks for the several competitions will be made up with the automobile problem as a consideration.

If you can suggest any new members, put their names on the card and the Chairman of the Membership Committee will get in touch with you about them.

Add Hastings

November 17, 1942

Twenty three members of the Ardsley Curling Club attended the opening dinner of the new season last Wednesday night. Add Hastings was elected President to succeed Throck, whose resignation the club accepted with regret. Eddie Fiske was elevated to the Vice Presidency. The new Curling Committee for the year is Hastings, Eddison, Fiske, Finn, Shaw and Sutphen.

Before the dinner broke up the Club unanimously passed a resolution that curling will be denied any member whose bill is unpaid thirty days after the treasurer mails it out. And you don't even have to wait for the treasurer's bill if you don't want to. We understand that George will accept that \$25.00 check any day.

After the dinner two rinks of old masters put on an exhibition for the new members. On the first end their combined efforts got one rock in the house. The new members did a good deal better than this when they got started. In fact they are a very promising crew. We welcome them and look forward to seeing them every Wednesday evening at 8 o'clock sharp.

This year the Wild's Cup Matches will be played on Saturdays and Sundays and Ardsley's four rinks are skipped by

Every member will be assigned to a Wild's rink, and every member, new as well as old, will have a chance to play in some match. Skips are responsible for getting out their rinks and arranging transportation.

The first Bonspiel of the season for the Utica and Playland Cups will be held at St. Andrews, December 18, 19, and 20. Ardsley will have four rinks entered. So polish up your shots, curlers. Everyone out Wednesday night.

Alec Blanton,
Secretary

December 7, 1942.

The complete list of members of Ardsley's four Wild's cup rinks is given below. Skips will be responsible for getting their rinks on the ice. Make arrangements with your men well ahead of time.

Competition for the Douglas Medal will be held at St. Andrews January 15th, 16th, and 17th. Ardsley will enter three rinks. Let Ed Fiske know if you can curl, as rinks will be made up from those who send their names in.

Ardsley's Windler matches start January 13th, preceded by supper at St. Andrews. Mark this date now. The six rinks will be set up next week.

The treasurer, at last report, was still accepting dues.

And finally, there will be curling this Wednesday. The ice has never been better. Everybody out at 8 P.M. sharp for a big night of it

BULLETIN OF THE ARDSLEY CURLERS IN
NEED OF A HORSE

Due to the gasoline situation there will be no curling Wednesday evening, January 13, or on succeeding Wednesday evenings until further notice. The walk home, even if there is a full moon, seems just a bit long around midnight.

The Douglas and Griffith Medal Competitions, scheduled for St. Andrews this weekend, are also called off.

The other Bonspiels, it now seems probable, will be held as scheduled. One Ardsley rink, skipped by the redoubtable Fiske, is already set for the Junior Bonspiel at Utica. Let's have another one.

And - there will be curling next Sunday afternoon at St. Andrews. Last Sunday eight Ardsley curlers (and two wives) reached the ice by a combination of foot, bus, and bicycle and had one of the best matches, and the most exercise of the year. You should plan to be there next Sunday. St. Andrews will have rinks there to furnish competition. Call your president or secretary for specific directions and the easiest way to climb the mountain. Ed Luckett prefers a route through the cemetery. Or borrow your son's bicycle. And if you know where there is a horse and wagon, report it at once to the president.

Alec Blanton,
Secretary

January 12, 1943

There will be a dinner for the Ardsley Curlers next Wednesday, January 27, at 7:00 P.M., at the Ardsley Country Club. Even with the transportation what it is you should be able to make this.

Your officers hope for a full attendance because we want to discuss:

1. The future of curling for the present season.
2. The matter of refunding a part of this year's dues to those members who cannot continue their curling under present conditions.
3. We will also pick the rinks for the Utica and Brookline Bonspiels at this time, so be present and tell us which trips you can make.

As we see it now, curling will continue for the season at St. Andrews on Saturdays and Sundays, and transportation by bus, bicycle, foot or a combination of these methods is not impossible. Two Ardsley rinks were on the ice last Sunday.

Also, the regular schedule of Bonspiels will be held and all members will have a chance to make these out of town trips. One Ardsley rink will be in Utica this weekend.

So, mail the enclosed card to say you'll be there. Roast beef dinner at 7:30, Wednesday, Ardsley Club, price \$1.50. Come at 7:00 if you want to stack a broom.
