## ALBANY BONSPIEL

The following rink will represent us in the Albany Bonspiel to be held on January 15, 16 and 17:

Thorndike, skip  
Sutphen  
Ringland  
Griggs

This will be the first bonspiel at Albany's new ice rink. We understand that the ice there is excellent, and we trust that our representatives will use it to good advantage.

## UTICA BONSPIEL

The Utica Bonspiel scheduled for January 22, 23 and 24 has four competitions, so that each entry is assured of four matches. Moreover, this year the entries have been limited in order to avoid any matches on Thursday. This Bonspiel is one that should be singularly attractive to those who like to curl, but we are not going to be represented unless four members call Charlie Upjohn within the next few days to tell him that they will go. Look at your schedules and see if you can make it. You can be sure you won't regret going to Utica.

## DYKES COMPETITION

The Dykes, in which the skips and vice-skips are limited to curlers who have not played those positions in other Grand National competitions, will be held at Nashua on January 29, 30 and 31. Our entry lacks a couple of members at the moment. If you want to go, please call Chuck Stewart promptly.

## U. S. MEN'S CURLING CHAMPIONSHIP

The match with Caledonia, to determine who will go to Schenectady for the State Playdown in the U. S. Men's Curling Championship,

will be held at 8:00 p.m. on Thursday, January 14.

### WILDS

Caledonia-3 and St. Andrews-4 have finished in a tie for first place with records of 8-4. Ardsley-3, which lost both its matches last weekend, and Ardsley-2, which won one and lost one, are tied for second place with records of 7-5. The chart of the results of this competition (posted in the locker-room at St. Andrews) is not complete, so your secretary will make no attempt to publish the final standings. He believes, there may be other teams tied for second place.

## RULES OF PLAY

- (1) Windeler matches are 11 ends.
- (2) Skips are expected to provide equal opportunities to curl to all the members of their rinks.
- (3) Substitutes must lead, or if two substitutes are required, must play lead and second. The penalties for substitutes are two stones for the Windeler skips and one stone for all others.
- (4) The penalty for any rink fielding only three curlers is one stone. If a rink must play with three curlers, the lead and the second are each to play three stones.
- (5) It should be noted that the match between W-1 and W-3 is scheduled for 2:45 P.M. on Sunday, January 24, the match between W-2 and W-8 is scheduled for 2:45 on Saturday, February 20, and three matches are scheduled for Thursday, February 25, rather than Tuesday, February 23, when the St. Andrew's Club will be closed.

## THE JUG OGDEN COMPETITION 1960

The Ardsley rinks in the Jug Ogden competition for 1960 are as follows:

	<u>A-1</u>	<u>A-2</u>	<u>A-3</u>
Co-skips }	Colgan Griggs Bickford James Kimball Koehl H. McAfee Peabody Thayer	} Jones Lueck Conley Doonan Graaskamp Leighton Marshall R. McAfee Samuel Sibert	} Reed K. Stevenson Achilles Aldridge Bibby Hager Lagercrantz McCormack D. Stevenson Warner
	Hastings L. Hockmeyer V. Hockmeyer Nolan Ringland Sothorn Thorndike	Eddison Kemp Nash Sheets Upjohn Wood	Edens Robinson Stevens Stewart Sutphen Wells

### RULES OF PLAY

(1) The Jug Ogden competition is designed primarily for junior skips and other curlers who normally play lead or second. However, in order to meet the complaint that senior curlers have no opportunity to curl at St. Andrew's on weekends after the Wilds has been completed, except in bonspiels, the skips are required to offer each of the senior curlers listed below the line in the foregoing rinks one opportunity to curl during the competition. Subject to this obligation, the skips are urged to afford the members listed above the line the first opportunity to curl. If they are unable to fill their rinks from the names on the upper portion of the list, they are free to take players from the lower portion.

(2) Jug Ogden matches are 10 ends.

(3) Only those who do not play skip or vice-skip regularly in their club competitions are eligible to play those positions in this competition. In other words, players shown below the line in the above listing can only play lead or second.

(4) Because of the tight time schedule for these matches, the following penalties will be enforced: one stone and one end for each 15 minutes or fraction thereof that a rink is late in appearing for a match.

(5) There is no penalty for substitutions.

(6) Regular skips and vice-skips (those listed below the line above) when substituting must keep out of the house and refrain from advising the skip.

CUTHBERTSON BONSPIEL

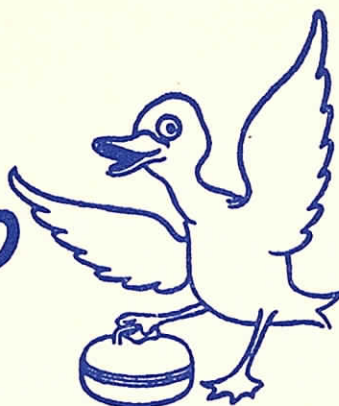

As outlined in Dick Wells' letter of December 21, Thursday, January 28, will be "Ardsley Night" at the Cuthbertson Bonspiel. On that evening our club will give a dinner for visiting curlers at the Ardsley Country Club. All members and wives are urged to attend. Dinner will be preceded by cocktail parties in the home of six members. Hosts for these parties will be Bob Reed, Bob Samuel, Ralph Sheets, Chuck Stewart, Dunc Sutphen and Dick Wells. Hugh Leighton is chairman for the Ardsley dinner and Bill Wood is serving with him on the committee. Further details will be furnished later.

We would like to, once more, call your attention to the dinner that the Ardsley Curling Club will hold in honor of the Cuthbertson Bonspiel at 8:15 p.m., Thursday, January 28th at the Ardsley Country Club. All members and their wives are urged to attend. As we outlined in our letter of January 13th, there will be six concurrent cocktail parties. ## ST. ANDREWS CLUB BAR

Dick Wells has arranged to have the St. Andrews' bar stay open until 11:30 p.m. on Tuesday nights. ### CUTHBERTSON VICTORY

Last weekend saw Ardsley curlers produce their top performance of the 1959-60 curling season. Dick Wells, ably assisted by Bill Wood, Charlie Upjohn and Bob Samuel, skipped the Ardsley #1 team to victory in the Ardsley Medal.

They won their first match Friday from Winchester (BURKE) 12-4. Saturday they defeated Mahopac #2 (HALSTED) 15-6 and then came from behind to defeat Schenectady #1 (CRAWFORD) 12-8. In the finals on Sunday, they could do nothing wrong, and overwhelmed Schenectady #2 (CORRADO) 16-3. CONGRATULATIONS!!!

Ardsley #2, THORNDIKE, Sutphen, Edens and Stewart won their first two matches beating Lenoxville (ATTO) 9-6 and The Country Club (DAVISON) 14-4. They lost to Caledonian #1 (SLAYBAUGH) in the quarter-finals on Saturday morning.

Vic Hockmeyer skipped an all-Westchester rink consisting of one member of each of the Westchester County curling clubs. The idea was a fine one, but judging from the results, it appears that the men could have used a little more practice curling together.

Robertson's Norfolk rink won the Mahopac Medal. McCullough's St. Andrews #1 won the New York Caledonian Medal.

The Ardsley Curling Club Dinner on Thursday night appeared to your secretary to be a great success. Our thanks go to the hosts of the cocktail parties, and the men who worked on the banquet, and particularly to our president for all the time and effort that they contributed so that we could have such a delightful evening.

### AD HASTINGS

On Friday evening, January 29th, a man who has been for years one of Ardsley's finest curlers was the recipient of a great honor. At a dinner at the

St. Andrews Golf Club, Jean Paul Fortin, President of the Canadian Branch of the Royal Caledonian Curling Club of Scotland, conferred on Ad Hastings, a life membership in that organization. Lucius Hill and Cam Patterson of The Country Club are the only other living Americans to hold this honor.

#### DYKES RESULTS

Griggs, Colgan, Lueck and LANG HOCKMEYER journeyed to Nashua last weekend to compete in the Dykes Competition. They lost two very close matches, the first 9-10, and the second 10-11 in an extra end.

#### WINDELER

Vic Hockmeyer, curling brilliantly, handed Art Kemp his first defeat in this competition. Ad Hastings defeated Bob Edens in overtime and is now tied with Art for first place. Wells and Wood were also winners this past week.

The scores:

- W-2 (Griggs, L. Hockmeyer, Nash and WELLS) 14-3 over W-1 (Leighton, Eddison, Stevens and THORNDIKE)

 \$2964.93  
 Est. Expenses to 10/1/60 150.00  
 \$2814.93

Conclusion:

Acc can absorb the \$306 deficit on dinner & end year with same surplus as in 1959.

However in 1961 - Hedley will be host club for the Cuthbertson - & may wish to repeat dinner - no question of precedent arises.

My recommendation - assess each member \$6<sup>50</sup>.

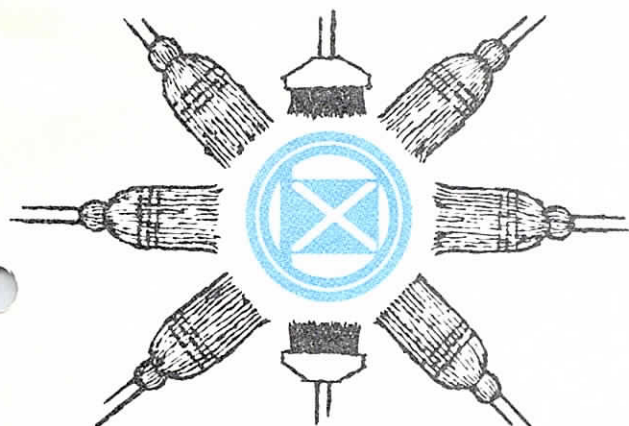

If later we wish to give St. Andrews - our portion of additional \$1,000 - we can use the assessment funds for that purpose - by Executive Committee action.

Regarding Hedley receivables - at this time unpaid 59-60 dues total \$138# (3 members - only one of whom has paid nothing). Balance represents pins, dinners etc.

I predict receivables at close end of less than \$100.

Regards,  
Joan

## AND SO WELL DESERVED!

Mr. W. Lincoln Seibert  
Bronxville, New York

Dear Linc:

"The Board of Governors at its meeting last evening requested that your rink, consisting of you, Haight, Dunn and Ada, be notified of the Board's official cognizance of your great curling achievement in winning for Saint Andrew's the Douglas Medal for the first time in many years, and to send each member of the rink its hearty congratulations.

"Many thanks to you all for starting off 1960 in such a blaze of glory."

Sincerely yours,

P. L. Douglas, President

No need to elaborate about this brilliant victory. Just this -- going into the last end one rock ahead, Ada placed two perfect stones in the house. Then Dunn, Haight and Seibert guarded them like jewels. What are we saying? That's what they were!

## A UNIFORM -- FINALLY!

For years St. Andrew's rinks have gone to important bonspiels clad in miscellaneous (but nice) clothing -- contrary to the trend in curling procedures. Your Curling Committee recognized this fallacy and commissioned Donald Dunn to solve the problem. He did and here's how --

"The Curling Committee has approved a certain azure blue sweater (made in Edinburgh, Scotland) worn by our Douglas winners, as an appropriate curling uniform for Saint Andrew's curlers. The Committee has also approved the patch worn on the sweater by the

said Douglas winners. Approval by the Committee, of course, does not mean that wearing of the sweater is in any sense obligatory.

"The sweater can be purchased by giving your order and your size (also specifying whether you want a patch) to Mr. Cleary at the Club. The sweater will be delivered before the next curling season and the charge will be placed on your bill. It is your responsibility to select and order the right size. There are 5 of these sweaters available at the Club owned by Messrs. Fiske, Seibert, Haight, Dunn and Ada. They are all size 44. Try one of these on before you order.

"The sweater, the customs charge, and the mailing, together with the patch, will cost about \$20.00, probably a little less."

We hope as many as possible St. A curlers will order. Our guys representing New York State will be so garbed in the U. S. Men's Nationals at Chicago.

#### HOW WE DOIN' DEPARTMENT

New York newspapers' improved coverage of Grand National's various bonspiels provide results as the events happen. Coverage is also provided in North American Curling News and at that semi-circular podium operated by Walter.

However, lest any may not know all the results, here's a brief run down: Previous issues of STACK BROOMS have reported bonspiels prior to our own Douglas-Griffith-Williamson and that gets special mention elsewhere in this issue,

#### ALBANY INVITATIONAL -- January 21-22-23-24

St. Andrew's rink was skipped by Jack Chattin with Bill Miller #3, Bob Hill #2, and Lou Orr #1. Difficulties were immediately encountered when our brave group lost to Bob Wilson's Schenectady rink -- subsequent main event winner. Chattin's team lost its second match to Norfolk, skipped by Bill Skinner,

This was Albany's first bonspiel at its new rink. Our curlers report the finest hospitality and a mighty good time even tho' losing.

#### WINCHESTER MIXED BONSPIEL

Who better to quote than our own Mr. Curler, Linc Seibert:

"St. Andrew's Rink #1, with Linc Seibert, Marge Seibert, Buzz Burroughs and Pat Burroughs, played and lost three successive matches.

"St. Andrew's Rink #2, skipped by Alex Ada, with Dorie Gouldthorpe, Gouldy Gouldthorpe and Mary Ada, played and lost two successive matches.

"New York Caledonian, skipped by Bob Burton, with Fran Burton, Bud Redpath and Debbie Redpath, lost their first match against Winchester, dropping them to the 2nd event, in which they won three successive matches against Brae Burn, Wellesley and Nashua, losing in the final to Toronto Granites by a score of 8 to 7."

#### LEE MC CULLOUGH WINS CUTHBERTSON'S THIRD EVENT

It was a fine Cuthbertson Bonspiel, hosted as usual by Ardsley, Mahopac and New York Caledonian and played on St. Andrew's ice January 28-29-30-31. Something like 16 Grand National and Canadian rinks contested with enthusiasm. Lee McCullough's rink (Millard Moore #3, Bill May #2 and Johnnie Nauss #1) were all over, eventually dropping into the third event, the N.Y. Caledonian Medal. There they had their finest hours, for instance, beating the Montreal Thistles 10-1 in 9 ends, then finally winning the event by beating St. George of Montreal. McCullough's rink scored 54 rocks to their opponents 10!

#### IF DUDLEY HADN'T HOGGED THAT GUARD AT UTICA

Brave souls from St. A journeyed to Utica for Utica Curling Club's Bonspiel January 21-22-23-24. Our rink, skipped by Lew Dudley was Ed Green #3, Dudley Lawrence #2 and Harold Leaf #1.

They got past round one of the main event (Mitchell Medal) on a bye. Then they began to click, beating Gananaqua. With Missisagua excitement ran high. The match was all tied after ten ends. In the extra end St. A lay as Lew Dudley came up with his last rock. Could he guard the lying stone? He couldn't! He hogged the shot. Missisagua's fine Canadian rink went on to win the Mitchell. Lew's rink dropped to the Dewar (fourth event) and were eliminated by Ty Halsted's Mahopac team.

#### ST. ANDREW'S WINS AT SCHENECTADY

The Gordon-Emmet-Mohawk competitions were held with due aplomb at Schenectady, Rollie Reid presiding.

Our #1 rink was knocked out of the Gordon but rallied to win the R. S. Emmet Memorial Medal. Our rink, Linc Seibert, Skip, Ada, Dunn, Kelley. Strangely enough, they beat one other rink, St. A #2 skipped by Lee McCullough with Rene Clark, Bill May and Fred Hequemburg (loaned by Schenectady) who gallantly played through the game with his shoulder thrown out.

#### ST. ANDREW'S REACHES DYKES SEMI-FINALS

A gallant St. A rink, skipped by George Degen, reached the semi-finals in the annual Dykes Trophy competition at Nashua. Tom Kelly was lead, George Heidelberger #2 and Brad Smith #3.

#### IT'S SEIBERT'S RINK AGAIN IN THE WILDS

The verdict in this traditional inter-club annual contest was a long while in coming. But come it did. A St. A rink (Seibert, skip, Dunn #3, Brad Smith #2, Ada #1) was tied with Watty Thomas' N. Y. Caledonians (Sturgis #3, Bronner #2, McIntyre #1) when the regular schedule ended. The high-powered curlers of both clubs were too busy on the bonspiel circuit to get together for a play-off. Finally they did on February 10. Result -- St. Andrew's 13, N. Y. Caledonian 4.

### AN OLD CURLER'S OFFER

In days past few people were more important in St. A curling than Ted Hahn (sorry, but no relation to the editor). Ted has returned to one of our activities as a referee and counsellor. Now he offers a curling medal or award, if we desire to create an additional event. Thank you, Ted Hahn. You'll probably be called upon!

### JUST AROUND THE CORNER -- THE KITCHEL-ARNDT

It's time to decide on club championship. As you know, something's been added to this event. The Kitchel Medal, symbolic of the St. Andrew's Championship, now has a consolation event named to honor our own Buddie Arndt. The dates -- February 27-28, March 12-13. Decide to enter and use the enclosed card to tell George Degen, Chairman of the event.

### THE WICKS DID IT!

Our sister organization, the Westchester Wicks, in the Westchester Curling Association, have done us an honor. St. Andrew's will be the sight of the Empire State Bonspiel for women curlers. The dates are January 17-18-19-20, 1961.

### AGAIN ST. ANDREW'S REPRESENTS N. Y. STATE

Our now famous "Championship Rink," skipped by Linc Seibert with Alex Ada, lead, Don Dunn #2, and Bill Haight #3, won the New York State Championship on Schenectady ice. St. A defeated N.Y., Caledonian, Schenectady and Utica, thus winning the right to represent New York State at the U. S. Men's Curling Championships in Chicago, March 2-3-4-5.

### BIG EVENT -- ST. ANDREW'S MIXED CURLERS BONSPIEL

Under the capable leadership of Pat and Buzz Burroughs, mixed curling at St. A has enjoyed one of its finest seasons -- 32 couples. Now comes the season's big event, a 20-rink bonspiel. St. A's three rinks have been selected by playdown. The dates are March 4-5-6. Good luck!

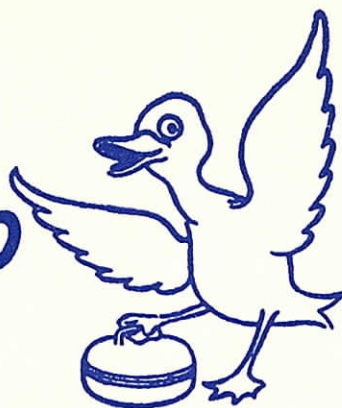

### ANOTHER INTERNATIONALIST

Here we thought STACK BROOMS was cute to report Albie Shaw off to Switzerland for 7 curling matches in competition for the Swissair Cup. Now we find that Ed Fiske was also on the U. S. team. Reason we missed -- Ed's name was reported as "Wiske," not "whiskey," please. Both Albie and Ed took their wives and report a fine time was enjoyed. No matches won, however.

## STOCKTON BONSPIEL

Dick Wells and crew journeyed to Brookline last weekend, met with mixed success, and had a fine time. They defeated Sherbrooke, Que. 11-8, then lost to their host, The Country Club, skipped by Henry Cushing (the ultimate winner) 10-5. This put them in the competition for the Primrose Trophy. They defeated Royal Montreal 10-7 and Sherbrooke once again, this time by the score of 8-7. They lost in the semi-finals to the Montreal Thistles 9-8.

## OPEN ICE

All three sheets of ice will be open for play between 12:00 Noon and 2:00 p.m. on both Saturday, March 12, and Sunday, March 13.

## FUR-LINED

Last Tuesday night, Vic Hockmeyer, by scoring four in the eleventh and one in the twelfth, outlasted Ralph Sheets, and thereby lost possession of the uncoveted "Fur-Lined." Vic won the first and third ends and Ralph took all the rest until the eleventh.

The results:

H. McAfee, Bickford, Sothern and V. HOCKMEYER 9-8 over Bibby, Lueck, Stewart and SHEETS.

## NOMINATING COMMITTEE

President Wells announces that this years Nominating Committee will consist of the following:

- Thorndike, Chairman
- Hastings
- Koehl
- Horace McAfee

### DEPARTMENT OF THE TREASURY

At the Opening Meeting held on October 20, 1959, a motion was presented, seconded and passed by a show of hands authorizing the executive council to pay a proportionate share of any additional charges that the St. Andrews Curling Club might feel impelled to levy upon the Westchester Curling Association.

St. Andrews has incurred unforeseen expenses this winter that have totaled approximately \$3,500, and the member clubs of the Westchester Curling Association feel that they should contribute \$1,000 to St. Andrews to help meet those expenses. Our share of this is \$300. Grassy reports that we have enough money in the treasury so there will be no assessment of the membership.

### CLOSING DINNER

The Closing Dinner will be held at the Ardsley Country Club Tuesday evening, March 22nd, with cocktails commencing at 6:30 p.m. Dinner will be served at approximately 8:00 p.m. You will find enclosed a post card addressed to Lang Hockmeyer, who is in charge of the dinner. Please indicate your intentions in regards to your attendance on the reverse side of the post card, add your signature, and drop it in the mail without delay.

### BLANTON WIND-UP

As we reported in "Duck Soup" of February 11th, there was a three way tie for last place in the Blanton. This necessitated a play-off as according to our present plans, the two lowest ranking skips in the Blanton will be dropped, and two new men given a chance to be skips next year. Joe Ringland defaulted because he had to be out of town on business during the period in which the play-offs would be held, and he did not feel that it was fair for Ad Hastings to skip his rink in his absence. This reduced the play-off to a match between Hal Sothern and Lang Hockmeyer, which was played last night with Hal coming out on top.

The results:

Reed, Stewart, Stevens and SOTHERN 12-7 over Conley, Robinson, Sheets and L. HOCKMEYER.

TIME ELEMENT

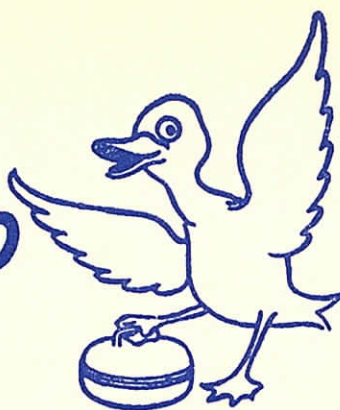

This opus was originally scheduled to be printed last week and your editor has found that "last weekend" referring to the Stockton, and "last Tuesday" referring to the Fur-Lined, are incorrect. For the record, the Stockton took place the last weekend of February, and the Fur-Lined was played for on March 1st.

#### CLOSING DINNER

The Closing Dinner was a most pleasant affair, and we would like to thank Lang Hockmeyer for all the hard work he contributed in order to make it successful. Your secretary waited in vain for somebody to give him a medal, but on the other hand, he won some free drinks from Edens and considers that almost as rewarding.

Ad Hastings delivered a report on the Gordon International. From where your secretary sat, it sounded as though we lost.

#### OFFICERS

The following men were chosen to serve as your officers for the 1960-61 curling year.

Dick Wells	President
Ralph Sheets	Vice President
Ed Sibert	Secretary
L. W. Graaskamp	Treasurer
