Dear Representative:

It's that time of the year again when I must place the order for All-American award pins, so will you please inform me if your club plans to participate in the event this coming season.

At our fall board meeting a year ago it was suggested that we have a deadline date for ordering the event pins and at our annual board meeting in February I proposed the date be the week following the fall board meeting. Since there was no objection that means that the deadline is October 12-18. Also, at our last board meeting it was brought up that some of our winners had lost their award pins. After some discussion it was agreed that the pins could be replaced, but only at the expense of the individual involved. All transactions are to be handled through the USWCA Representative and the Chairman of the All-American Committee. This is covered on page 8 of the Feb. 12, 1969 minutes of the annual board meeting. The pins cost us \$1.95 plus postage and wrapping.

May I hear from you soon?

Sincerely yours,

Lorraine Ford

Play of Matches

1. Maximum number of ends in all events is limited to ten ends except in case of tie.
2. All matches must be played on the day and sheet as scheduled except when cancelled due to bad weather.
3. All matches start play promptly at the appointed time. Any rink not ready to play shall forfeit one point and one end for the first full 15 minutes delay and for each additional 15 minutes or any fraction thereof. It is mandatory that these points be scored. At the end of 30 minutes, the game shall be forfeited. When play begins, after penalty points have been imposed, the conventional toss of a coin shall determine last stone.

CURLING COURTESY

Courtesy and respect for fellow curlers are among the most significant of all curling customs. An understanding of the Unwritten Rules of Good Behavior is essential to the enjoyment of The Game.

1. Never distract a player about to deliver his stone by talking.
2. It is very disconcerting to the player for those on the ice ready to sweep to cross over to the other side while the Skip is giving instructions to the man in the hack. Decide in advance which side you want to sweep on and remain still and at the edge until the stone is on the way.
3. Leads and seconds are not allowed in the goal area until after the score has been determined by the Vice-Skips.
4. As their turn comes to play, curlers should be in the hack with stone cleaned and ready to take Skip's instructions as promptly as possible.
5. Confine your attention to your own game rather than watching play on another sheet.
6. Every game ends with a hearty handclasp of good will to both teammates and opponents.
7. No player ever deliberately breaks a rule of the game; and should he do so inadvertently and be aware of it, he is the first to divulge the breach. He should take a burned stone out of play immediately, before it has a chance to dislodge other stones.
