

Sports Committee Report 1974-1975

The Ardsley Ladies opened their season with a four-week Broom Closet Mixer, each curler playing on a different team the four weeks. There was some criticism of this arrangement as an opening event and should be discussed before trying it in subsequent years. The scoring was on a point system and the winners were Ellen Boldt, Aldine Havens, Marilyn Eager and Fran Garred.

The second event was the Wells-Wicks event and we decided to have a Wednesday and a Thursday winner. This does not always work well either because due to three sheets of ice full on Wednesdays and only two on Thursdays the Thursday teams played a team more than once and Wednesday played the other five teams only once. There were only three winning members on the two winning rinks due to illness which made two girls ineligible for prizes. The winners were the Thursday rink consisting of Bea Self, Betsy Fisler and Sue Sugahara. The runners-up were the Wednesday rink of Mary Jean Keenan, Debbie Wilson and Margeurite Rumoshosky.

The third competition was the Jr. Skip Event with a Wednesday and Thursday winner. The Wednesday winning rink consisted of Jinny Hill, Jane Wells, Kizzie Andrews and Anne Finn. The Thursday winners were Marilyn Eager, Sirkka Whitman, Mary Barrett and Jane McAfee.

The All American Event consisted of six rinks with each rink playing the other five. The winning team consisted of Sirkka Whitman, Helen Ray, Kizzie Andrews and Mary Bragg.

They will be first on the list next year.

This report shows an excellent response by our Club and we look forward even to more participation in out-of-bonspiels next year. All of those who went away were enthusiastic about curling on different ice, meeting new curlers and having a delightful time with fellow curlers from Ardsley. They all agree that a curling trip gives a whole new perspective to the game and even improves. We hope you all will sign up for at least one or two trips next year.

Respectfully submitted

Jane Wells
