Ardsley Ladies Curling  
1987-1988

Annual Report - Curling Chairman

During the '87-'88 curling season there were 21 Ardsley ladies curling on Wednesday and/or Thursday mornings. We shared the ice with 16 St. Andrews ladies.

During the first half of the season, the Ardsley ladies curled their All American competition on Thursdays, using one sheet of ice. St. Andrews curled their own competition on one sheet and we "shared" the third sheet, playing "fun" games so that everyone got to curl. On Wednesdays we curled against St. Andrews in the Ard-Wick I. (Results are attached.)

We started the second half of the year Jan. 17th with our Wells Wick competition on Wednesdays. This time we had 2 sheets of ice and St. Andrews had one. On Thursdays we curled the Ard-Wick II, mixing up the teams to include both Ardsley and St. Andrews curlers. The season was unexpectedly lengthened by one week so we just added one more round to each competition. (Results are attached.)

The year was somewhat difficult and frustrating due to the independence of the two clubs and the low membership of each. The St. Andrews ladies seem to require a much less structured program, often just "showing up" (or not showing up), whereas our ladies preferred a fixed schedule and to know that there would be curling. Similarly, the St. Andrews ladies seemed to be last minute in their planning, whereas Ardsley preferred to plan further ahead. These different approaches created unnecessary tensions and, on several occasions, resulted in cancelled curling for one sheet.

The best solution I see to the above problem is to totally merge the two clubs and work from the larger pool of curlers under one curling committee. If that cannot be accomplished, communication must be frequent and thorough, and there must be continual follow-up.

Respectfully submitted,

Judy Kelley

Addendum to Annual Report, 1988

I neglected to mention the Junior Skip competition, which was scheduled for four weeks in late December and early January. The competition fell apart, as on several occasions we barely had enough people to curl one sheet. In retrospect, and after discussions with several of the "junior skips" it appears that this is not a popular competition. I therefore do not recommend that it be repeated next year. Instead, I would suggest two long events, or, probably better, three events.
