

Ardwicks

Agenda

Ardwicks Meeting, October 1, 2006

1. Opening statement by Patti Burns — Positive — Volunteerism
2. What is an Ardwick? History — Patti — Bonspiels
A. bylaws
3. Who does what?
 - A. board members —
 - B. USWCA rep — Pippa
 - C. league chairs — Nancy and Pauline
4. Old Business
Marion
5. New Business
 - A. Future of Ardwicks —
 - B. How to make curling fun???
 - C. Sub policy and curling etiquette — Alice
A word from our Assoc.
6. EMPIRE STATE BONSPIEL!
Help!
Nancy is Chair

The Telephone Game

ARDWICKS

History

1950 → There was previously a women's club at both Ardsley¹⁹⁶⁶ (Ardsley Ladies' Curlers) and at St. Andrews (Westchester Wicks). When St. Andrews curling moved to the Ardsley facility, the 2 women's groups merged and was renamed Ardwick. ~ 1989

Purpose

Support women curlers' leagues, bonspiels and the USWCA.

Keep women aware of upcoming curling events.

Help improve the curling experience via instruction in rules and play.

Create a pool of volunteers working together on in house events.

A joint organization encourages communication between Tuesday night and Thursday morning leagues and enables them to socialize and work together for the benefit of all women curlers and the entire Ardsley Curling Club.

Women at Ardsley have hosted and taken part in the Empire States regularly, hosted visiting members of the Scots and Canadian tours and annually taken part in the USWCA's All American.

Ardwicks have supplied curtains and tablecloths for the club from money accumulated in their treasury.

In March of 2007, the Ardwick Treasury donated \$3,000 to the Ardsley Curling Club for the floor replacement fund.

Joining the Ardwick has always been voluntary.

USWCA ANNUAL STATEMENT
November 13, 2007

Club Ardsley Curling Club
Address 26 Cottonball Lane IRVINGTON, NY 10533
Contact Name PIPPA BROADHURST

Per Capita Dues: Annual Club Dues \$ 10.00

Number of Members 47 x \$5.00 = \$ 235.00

Total \$ 245.00 *(245)*

Do you have men members who have joined the USWCA? No If yes, how many? _____

DATE DUE: January 10, 2008

PLEASE MAIL REMITTANCE AND MEMBER LIST TO:

Jean Vorachek
1801 Prairieview Ct NE
Grand Forks, ND 58203

Make check payable to: **USWCA**

Thank You!!!!!!

REP: PIPPA

Ardwicks League Rules

1. General

The rules of play of the United States Curling Association shall apply, except to the extent that they are modified by these rules. These rules will apply to all Ardwicks league play at the Ardsley Curling Club.

2. Games

Games shall generally consist of eight ends, except (i) if a skip concedes the game in fewer than eight ends, in which case the forfeit rules will apply (see below); or (ii) if the game is tied at the completion of eight ends, in which case the tie-breaking rules will apply. Individual league chairs may determine that certain games in that league shall consist of more or less than eight ends, or that the points will be recorded, and eight ends must be completed.

3. Scheduled Matches

All games shall be played at the time scheduled. It is not permitted for skips to agree to change the times of scheduled games. However, in the event that games must be cancelled due to curling facility ice failure, severe weather, or other conditions which prevent games from going forward, the league chair shall arrange for new dates for all such cancelled games.

4. Qualified Rinks

a. A qualified rink must consist of at least three players, any two of whom must be regular members of the rink. If at least two regular members from the rink are not present for the game, that team forfeits the game.

Scoring a forfeit In the following situations: 1. a game not played due to a forfeit; 2. when a forfeit occurs due to three or more substitutions; 3. when the losing team concedes the game before 8 ends; the team that gets the benefit of the forfeit will be awarded 20 points. In a game where the losing team has to forfeit, the winning team shall get the greater amount of their actual points scored in the game, or 20 points. In any case, the team that forfeits the game will be awarded no points.

a. If a qualified rink consists of three players, each of the first two players shall deliver three stones in an end; if the skip normally throws first rocks, then that skip will deliver three stones.

b. If a qualified rink commences play with three players, and a fourth player (either a regular member or a substitute) joins the game in progress, she may enter at the beginning of any end, and, if that player is a regular member of the team, play in her regular position, or if that player is a substitute, play in the appropriate position (as discussed under **Section 5** below). The player may come in, with the approval of the opposing skip as a sweeper, before the three stone order has been established. If the sub is a penalty rated player, the penalty will apply.

c. If a player is injured during a game and is unable to continue to play, the skip may continue the game with at least three players or may utilize a substitute who shall play in the place of the injured player from the time of the injury.

5. Substitutes

It is encouraged that substitutes be drawn from an official Ardwicks substitute list as applicable to each women's league.

a. If the skip or vice requires a substitute, she may obtain any substitute to play in the (back end) positions.

b. If one substitute is used (other than in a. above), she must play lead.

c. If two substitutes are used (other than in a. above), they must play lead and second.

d. In the MacIntosh , the following special substitution rules will apply: (i) if a team needs a substitute in the skip position, the substitute must be a player on the same skill level as the absent skip, or the team is subject to a penalty; (ii) if the skip is absent, and the vice is a rated skip, the second will skip, rather than the vice, when a team is playing with three curlers.

e. A penalty point list of players will be established before the commencement of play consisting of the skip level players in the league, as evaluated by the Sports Committee. A penalty-point person when playing as a substitute (other than in a. above) must play lead. Any substitute from the penalty point list shall cause a two-point penalty if she is playing in the front end. It is not permitted for a rink to utilize two players from the penalty point list as substitutes in any game.

6. Tardiness

If a qualified rink is not present and/or ready to play within fifteen minutes of the scheduled time for the game, it will be assessed one penalty point and the game shall be reduced from eight ends to seven. The tardy rink shall throw the first stone of the game. One additional penalty point and a reduction of the game by one end will occur for each fifteen minutes thereafter that a qualified rink fails to appear. If the rink is not ready to play within 30 minutes after the scheduled time, it forfeits the match. If neither rink is present within 30 minutes of the scheduled time, both rinks will be assessed with a loss.

7. Pace of Play

An eight-end game should be completed in about two hours. It is the responsibility of the skips to maintain an appropriate pace to complete play within that time. The last end of the game will be the end being played at one hour, fifty minutes after the delivery of the first rock of the game.

9. Tie Games

In the event that a match is tied at the end of eight ends, the following means of breaking the tie will be utilized:

Mini-End - Both teams will play a modified-end in which each player on the team will deliver one stone (rather than two). The team that last scored in the regular match will throw

the first stone. If the match remains tied after the completion of the mini-end, the game will be determined by skips' rocks (see below);

Skips' Rocks - The skip or person designated by the skip of the team that last scored in the regular match shall deliver one stone. Regular sweeping rules apply. When the stone has come to rest in the house, its distance from the button shall be measured and the stone removed. Thereafter the skip, or person designated by the skip, of the other team will deliver one stone, with regular sweeping rules applying. The team whose stone comes to rest in the house closest to the button shall win the game. If neither rock is in the house or it is impossible to determine which rock is closest by measuring, the winner of the game will be determined by a coin flip.

9. Sportsmanship

In the true spirit of curling, teams and skips must strive to keep the playing conditions fair for both teams, e.g., by trying to play with equally balanced teams, as well as the same ice conditions for each team. Any rule or procedure issue which cannot be resolved by the above rules, will be resolved by the league chair.
