## ARDWICKS EXECUTIVE BOARD MEETING

September 16, 2003

Present: Pippa Broadhurst, Nancy Clancy, Marion Cowles, Margaret Guirey and Merle Huebner.

The meeting was held at President Broadhurst's home. She called the meeting to order at 7:45 pm.

**Planned Ice Use** sheet was distributed listing scheduled events for 2003-2004 season, along with our agenda.

**Secretary's Report** of March 7, 2003 Executive Board Meeting was accepted as read.

**Treasurer's Report** - Jean Glus was unable to attend, but reported current balance of \$4,748.15 includes \$120 from Empire theater ticket reservation which must be returned.

### **Canadian/USWCA Senior Womens' Tour** - November 10-12, 2003

Pippa said housing was sought for the bus driver. We question if it is our responsibility of finding him a place to stay. Merle has checked prices at several area motels.

Ladies are expected to arrive from Cape Cod about noon November 10th.

After lunch at curling club, games 1 and 2 start at 2 pm, games 3 and 4 at 4:30 pm.

Jean MacIntosh has graciously volunteered her house for the Monday evening party. Volunteers have signed up to bring liquor and wine. A sign-up sheet will be posted for hors d'oeuvres, salads and desserts. The main course will be catered. Charging all non-curling diners \$10 was proposed.

Housing is still needed for 4 of the 18 women.

Jennifer Stannard needs 12 of our ladies for planned entertainment (has about half).

Tuesday - It was felt that leaving Ardsley at 9 or 9:15 am will give the ladies plenty of time in NYC. Five NYC guides have signed up. Another will be sought.

All will meet at same restaurant at 5:30.

Jennifer has bought 9 tickets for "Thoroughly Modern Millie" and 9 for "The Producers" for Tuesday evening.

Guides will pay for their own tickets.

Rosemary Kindler is in charge of the opening party and lunch.

Someone is needed to take care of snacks during and after the games.

Diane Muldowney is in charge of the 2 draws. Cost to Ardwick curlers: \$45. \$15 of this goes to USWCA for pins and Canadian curlers final banquet.

### **50th Anniversary Empire State** - January 23-26, 2004

Nancy distributed an information sheet of progress to date.

She has gotten prices from several area hotels.

Heather Kenny will supply drinks and a ham for the opening party at her home. Nancy will get volunteers to bring substantial hors d'oeuvres and desserts.

Laurie and Margaret will prepare kit bags containing the special pins, information on draws, etc. It was noted Bobbie Stoll had gotten bags in the spring.

Nancy proposes "New York by Night" outing to NYC Friday evening. This will be a grand tour via 2 chartered buses with guided commentary of Manhattan's highlights from the George Washington Bridge, down to the tip of the island and back up the west side. Curlers are to be picked up at the club after Friday's curling (about 6 pm) and delivered back about 5 hours later. Dinner will be in a diner in mid-Manhattan as a stop on the tour. Nancy and Jennifer are to meet with the organizer Thursday evening.

There will be ongoing activities at the club on Saturday while women are curling. Possibilities are: massage, henna tattoos, manicures, tarot cards, a pinball machine.

Saturday night dinner will be at the curling club. Entertainment could be repeated, so all curlers could see the show.

**League Coordinator** - Pippa announced the Curling Club Board decided that every league should have a league coordinator. This would share the responsibility and make it easier to contact someone to clarify a situation. Rules should be posted and followed for all events. Nancy will be Margaret's coordinator.

**Opening Brunch** - The Country Club is unavailable Oct. 11. This date was appealing because of the open house scheduled at that time. Pippa will speak with Jennifer for possible alternate plans.

The meeting was adjourned at 10:30 pm.

ARDWICK BOARD MEETING OCTOBER 7, 2003

The meeting was held at President Pippa Broadhurst's home with board members and the two people chairing the major events:

- 1. Merle Huebner – Canadian Senior Women's' Friendship Tour (November 10-12, 2003)**
- 2. Nancy Clancy- 50th Anniversary of Empire State (January 22-25, 2004) co-chair Patti Burns)**

Members present: Pippa Broadhurst, Margaret Guiry, Jennifer Stannard, Nancy Clancy, Merle Huebner Absent Marion Cowles, Jean Glus, and Mary Lockhart

As Marion (secretary) was away, Jennifer offered to keep minute notes.

The meeting opened at 7:40 pm and the previous minutes were read and accepted.

Jean Glus had reported that the Treasury balance had remained the same \$4,748.15

It was noted that some of the things for the Friendship Tour had changed: a) Monday evening's entertainment home is now at Jean MacIntosh b) Instead of two Broadway shows on Tuesday night, it will be one "THOROUGHLY MODERN MILLIE" at 8 pm.

Pippa noted that only half the membership has responded to the Bussy re the leagues they wish to be in (or if they are returning).

Pippa reported that she has checked with two local restaurants – Off Broadway and Scaramellos. The menus, prices, and locations were reviewed. Off Broadway was chosen, and Jennifer got a price quote (all inclusive) of \$26. and October 21<sup>st</sup> at 7 pm was chosen. The board membership split up the phone calls and were asked to report their results to Jennifer (Pippa will be in Seattle the 21<sup>st</sup>)

Canadian Tour: Merle is organizing the four US teams Curling members (seniors) have been asked to call Diane Muldowney if they want to play Monday, November 10<sup>th</sup> (cost \$45. to participate).

Jennifer and Pippa will donate Juniors Cheesecake and Merle will donate toppings (strawberries etc)

The suggestion for Monday's curling club lunch is "New York Deli Theme" with Coney Island hot dogs, deli style sandwiches, big pickles and 'curler's' soup.

Jennifer will put together a "Broadway Revue" at Jean's home.

Merle needs card tables and chairs for Monday night dinner at Jean Macs. Jennifer suggested paper coverings (Butcher block) with sketched skylines of New York drawn on the bottom.

Gifts for the Canadians have been donated by Liz Murphy. We will look for something "NY" themed to add to the bag (perhaps 'Golden Apple' lapel pins). Merle will get gift bags and look for fancy ribbon to decorate.

The need for tour guides for Tuesday was discussed and likely candidates suggested. Merle will contact them.

## TWO

Nancy brought us up to date with Empire State 50<sup>th</sup> Anniversary Plans.

For the special entertainment evening into NYC will be Friday, January 23<sup>rd</sup> when two 49 passengers coaches will pick up curlers at the club at 6 pm, take everyone into NYC for a Manhattan tour and dinner is included (cost is \$42.00 a person).

At present the Saturday night activities are still in development and Nancy wants to do 'test runs' at the Turkey Trot and the Boospiel. Whatever is decided will be done at the club (dinner and festivities). Sunday will be a draw at 9 am and the finals at 12 (noon).

Mary Ann Moore is food chair.

Ardwick fall mailing is to include letter of general information (specific to Ardwick's, membership application form (\$20. membership mailed to Jean Glus) and a list of current women's bonspiels (as prepared by Jennifer)

Jennifer is to email report on USWCA to Pippa.

Suggestion made to call potential new curlers and returning old curlers and invite them to a women's curling kick-off dinner. We divided up names from old roster for phoning.

Meeting adjourned at 10:30 pm.

FYI- A wee bit of information from Emily.

It also occurred to me that we did not talk about the initial greeting of the bus and, the 'ceremony' for the games.

I can get the Sea Cadet color guard to lead one of the draws on but we should think of something special for the other. Do we have a good-sized Canadian flag for the procession? Also, a special welcoming when they alight from their bus. (How about the Headless Horseman?! A fife & drum? Anything like that in the Dobbs area?) Some clubs are bringing the Mayor or some other politician to greet them. Might we want to check with the Canadian embassy as to a welcome?

Did our history and the stuff that Emily was looking for for the program go up?

Lastly, I found some additional notes on the Friendship Tour. They suggested that for the pin exchange we have our pin on a ribbon (red, white & blue I guess) with the name and address of the player giving the pin on the back. I'll see what ribbon I can get.

At dinner- we will need to toast the Queen and then the President. Evidently this formality is very important. I will get further info from Jan as I believe our Pres. does the toast to the Queen and their Captain (or representative) does the toast to the Pres.

Merle-

Let me know when you want to get the Canada Tour committee together next week. I'm ok any day except Monday.

## Canadian Senior Women's Friendship Tour 2003 Report

The Ardwicks who are the female contingent (you know the better half) of the Ardsley Curling Club, were honored to be host to the Canadian Senior Women's Friendship Tour 2003.

On Monday, November 10<sup>th</sup>, a group of 18 ladies arrived at the curling club parking lot in a brand new \$2M bus complete with all the bells and whistles. They were accompanied by Emily Smith from the Nashua Curling Club and Jan Little from the Chesapeake Bay Curling Club. Emily was the Chairperson of the tour and traveled with the group throughout the duration of the tour. The tour began at the Nashua Curling Club in New Hampshire on November 5<sup>th</sup> and continued on through Boston and Cape Cod before arriving on November 10<sup>th</sup> at the Ardsley Curling Club parking lot where they were greeted by the Ardwicks and a group of Sea Cadets organized by Jennifer Stannard. The Honorable Mayor Brian Monahan of Dobbs Ferry also had come to give them an official welcome, but couldn't stay because the bus was late due to an accident on I-95 in Connecticut.

Everyone was treated to a scrumptious lunch of hot Pastrami and Corned Beef, Sour Kraut, salads, and home made Rice Pudding which was made by Rosemary Kindler who organized the lunch.

Two games (draws) were played that afternoon and at the start Merle Huebner, who was the Chairperson of the local event, raised a glass and wished everyone a warm welcome. In the spirit of friendship she suggested that the teams switch front ends so that the Skip and Vice Skip of one team would play with the Lead and Second of their opposing team. This was a win-win situation since the Canadians and Americans played together instead of against each other.

In the evening all the lady curlers were invited to the home of Jean MacIntosh for Hors d' Oeuvres , dinner, and entertainment. The food was fabulous, the entertainment was hilarious, and everyone had a marvelous time.

On Tuesday morning the Canadian ladies and several Ardwickers boarded the bus for a fun day in NYC. They toured Ground Zero, South Street Seaport, the Wall Street area and around noon they began a wonderful tour with Circle Line Tours. This way they got to see the beautiful city skyline from all sides. All women enjoy shopping , so after the tour they shopped till dinner at Simply Pasta. The day ended with the Broadway show "Thoroughly Modern Millie" and a group of *very tired* ladies boarding the bus to come back to our area for night. The Canadian ladies were hosted in local homes by the Ardwick curling members.

The Ardsley Curling Club part of the tour was over on Wednesday, November 12<sup>th</sup> as the Canadian ladies boarded the bus to continue their tour in Schenectady, New York. We know that the Canadians had a great time here, as they told us that nothing could top their day in New York City and they were heard singing as the bus was leaving.

Meeting suggestion -

Tighten up rules -

A - The Team -

Suggest - A team shall consist of four full  
curling dues paying members of a club -  
"length of time"

"some change in wording that we all agree -"

before 3pm.

October 2003

Dear Ardwick and Nutmegger Women:

Curling will begin early and we start with an 'in-house' bonspiel on the 24<sup>th</sup> and 25<sup>th</sup> of October. The bonspiel is open to every curler; Karen and Bill Peckowitz are running the event! (**Congratulations to Karen and Bill, 1<sup>st</sup> year curlers, for starting a new tradition.**)

With our great increase in curlers last year, we have an opportunity to play in every women's' bonspiel on the east coast this 2003-2004 season! Jennifer Stannard has prepared a list of women's' bonspiels. When new bonspiel invitations come in, they will be posted on the downstairs women's bulletin board. ***Our goal this year is to have every woman curler enjoy at least one bonspiel!***

This letter also requests Ardwick dues (**\$20.**) which enable us to have a hospitality kitty, have stationery and stamps for our mailings, subsidize our USWCA representative to attend meetings on our behalf and possibly provide supplemental money which may be needed for the Canadian Women's' Senior Friendship Tour. **Please fill out the third page form (ASAP) and mail to Jean Glus with your \$20. check.**

The **Tuesday night** ladies league has a new chair this year—**Margaret Guiry**. Nancy Clancy will be backing Margaret up to ease the transition. Margaret and Nancy are looking forward to seeing you with lots of ideas to make curling even more fun than in the past. Tuesday night curling will begin on October 28<sup>th</sup>, at 7:30 pm with an icebreaker. Teams are made up from everyone who comes in the door. Depending on how many curlers we have, we might repeat the icebreaker a second week. After our break-in period, we will have two major events, the **MacIntosh** (our junior skip competition) and our main event, the **All American**.

Margaret informs me that teams for major events (like those above) will be chosen by a skip's draw. Curling lessons will be given the weekend of October 18<sup>th</sup> and 19<sup>th</sup>. It is a great chance to tune up your skills, so try to come. Call Jeff Lesuk at 914-923-1369 (Jeff is organizing the lessons) get some hot tips and throw a few stones.

**Thursday Morning Curling** will begin at 9:30 am (please be there by 9:15 so we can go out on the ice at 9:30 am). Mary Lockhart has once again stepped to the fore and will be assisted by her vice-chair, Pauline Davies. We, too, will begin with an icebreaker, until we know how many will be curling regularly. Mary has some good ideas for making Thursday mornings more fun. Thursday women will be running a **MacIntosh** and an **ALL AMERICAN** as our two main events also.

The USWCA Senior Women's Friendship Tour is almost here and we invite all SENIOR women to curl in a game Monday, November 10<sup>th</sup> at 2 pm or 4:30 pm. If you are interested, please call Diane Muldowney at 203-847-2330 to let her know (the cost is \$45.00 a person which includes lunch, an evening party, the unique USWCA pin). We need four teams of women 55 years or older to enjoy this fun experience, trade pins and get to know some people from Ontario, Canada. Merle Huebner is chairing this event and I understand that three more homes are needed to billet two ladies' each for November 10<sup>th</sup> and 11<sup>th</sup>. If you can help, please call Merle at 914-693-4741.

January brings Ardwick's a very prestigious first, **THE 50<sup>TH</sup> EMPIRE STATE BONSPIEL!** Nancy Clancy and her very able committee are planning some unusual firsts for Ardsley Curling Club. Nancy might tell you their plans ahead of the time (**January 22<sup>nd</sup> to the 25<sup>th</sup>**) if you call Nancy at 914-779-3282 and offer to help. This **Golden Anniversary marks the longest continuous running women's bonspiel** in North America! Again we can have two teams in it, so if you are interested, please sign up downstairs. Nancy will help put teams together. If we end up in the lucky position of having three or more teams who would like to participate, Nancy will organize a play down to discover the best two teams.

Jennifer has organized a curling kickoff dinner Tuesday, October 21<sup>st</sup> at 7 pm at Off Broadway Restaurant in Dobbs Ferry (near the Mobil station) where a full dinner with a choice of entrees dessert, coffee soda and one glass of wine will cost you only \$30. (There will be a raffle and surprises). Call Jennifer at 203-329-7625.

The Tuesday night ladies league has a new chair this year—Margaret Guiry. Nancy Clancy will be backing her up to ease the transition. Nancy and Margaret have been planning to make Tuesdays even more enjoyable than in the past. They are really looking forward to seeing you all again. The Tuesday league will begin on Oct.28, with an icebreaker, where teams are chosen from everyone who comes in the door. Depending on how many Tuesday curlers we have, we might repeat the icebreaker a second week. After our break-in period, we will have two major events: the MacIntosh (our jr. skip competition), and our main event, the All American.

This year we will choose teams for the major events via a skip's draw. Finally, curling lessons will be given the weekend of Oct. 18-19. It is a great chance to tune up our skills pre-season. Try to stop in and throw a few stones.

& Nancy Oct 7/03

Hi Pippa

I checked my box of medals. As you know, I have the other 75 special Empire State "50<sup>th</sup>" pins. There were only 2 Ardwick pins with a lightening bolt and a band. The bands are light blue. Hope we can get enough. I would really like to keep one in the box for a sample.

Of the Empire State pin, I have a total of 27 in a range of colors from blue to turquoise to green. Of these I took out 8 and put them into an envelope for you. I will have Vic pin the envelope onto the bulletin board.

There are also 2 pins with the duck inside a dark blue band – but no lightening bolt on these.

Besides these, there is an assortment of odd pins that we are not currently using. The stockpile of current pins is really down, though.

Following is the list of our ladies who curled with the Canadian ladies at the Friendship Tour.

# Ardwicks Evening League

## RULES OF PLAY

The current USCA rules shall apply with the following exceptions and additions:

A. Regarding substitutions, if your team's skip and vice skip are playing, your sub must play in the front end; using a curler who does not usually play in the front end as a sub in the front end, will result in a two stone handicap.

*Footnote*  
B. Substitutes must be willing to play for any team that needs them without prejudice.

C. In the true spirit of curling, the team skips must strive to keep the playing conditions fair for both teams, e.g., by trying to play with equally balanced teams, as well as the same ice conditions for each team.

D. In the case of a tie, an extra end of one stone for each curler will be played to produce a winner; the winning team will be awarded the points for the extra stones that break the tie, but will not be awarded points for the extra end.

E. The league chair will make the final determinations, including forfeitures and penalties.

a. Scoring a forfeit

For a game that is not played due to a forfeit, or in a game where the winning team has to forfeit, the team that gets the benefit of the forfeit will be awarded 20 points. In a game where the losing team has to forfeit, the winning team shall get the greater amount of their actual points scored in the game, or 20 points. In any case, the team that forfeits the game will be awarded no points.

## ARDWICKS BOARD MEETING

December 11, 2003

Present: Pippa Broadhurst, Marion Cowles, Margaret Guiry, Mary Jean Keenan, Mary Lockhart and Jennifer Stannard.

The meeting was held at the Ardsley Curling Club and was called to order at 10:50 am.

Minutes of the October 7, 2003 meeting were accepted as read.

Treasurer's Report - Jean Glus was unable to attend. Pippa reported that small bills have come in for Empire State. The Treasurer has not received any registrations for this event. Some Ardwick's still owe \$45 for participation in the Canadian Friendship Tour.

Pins - Pippa has researched cost of pins. Prices of duck winner and runner up for Empire States would be \$25. They, Wells Wicks and MacIntosh would total \$723.23 from Wayne Silversmiths. Chuck Owens has a source that might be more reasonable and has offered to redo some Ardwick pins.

Empire States 50th Anniversary Pin - Sell for ~~\$20~~<sup>\$15</sup>, cost: \$6.65 per pin. One hundred have been ordered. 96 players will take part in the Empire State games and will receive a pin. Requests have come in to buy the pin. Jennifer moved that an additional 25 pins be ordered at a cost of \$162.50. Motion passed.

Empire States Teams - Originally there were to be 18 teams participating. That number has now been expanded to 24. Teams consisting of Ardsley players have entered using other names, i.e., NY Caledonians, St. Andrews. This has enabled them to avoid taking part in a playdown for 2 Ardsley slots. This has also been done this year by teams from Utica. 3 Ardwick's teams are involved in a playdown. Problems arose this past Tuesday when a team entered as 5 players only had 3 in attendance for a playdown and played with only 3. One of these players would not be available to play in the Empires. They won their game. The Board's interpretation of the rules is that a sub is allowed but a team must have 4 players. Pippa read Nancy Clancy's e-mail in which she felt the game should be forfeited. Pippa said she had replied to Nancy's e-mail agreeing with her by USWCA rules. Motion was made, seconded and passed that Jean Murphy's team forfeit the playdown.

It was suggested that rules be distributed to skips for them to sign and return.

It was also suggested that the "Spirit of Curling" be framed and put on display in the curling club.

All American - 20 curlers are needed to participate. Thursday morning may not be able to make the quota. Mary said there are 16. She will try to encourage others to join. Men cannot be subs.

Canadian Senior Women's Friendship Tour - Jennifer has gotten word that the women had a wonderful time and thoroughly enjoyed the efforts put forth by their hosts.

Meeting was adjourned at noon.
