Now that we have begun a new year of curling, it is hoped that we can resurrect the Ardwick's, the local women's curling association. Through this organization we hope to represent women's issues regarding ice time and curling opportunities, and league play for women, as well as programs of the United States Women's Curling Association. To that end, we hope to have a meeting before Tuesday night curling on October 26, 2010 at 7 PM. The meeting should not last more than 10 to 15 minutes.

Some of the issues to be discussed:

1. Preparation for the Empire State Bonspiel which will be held at Ardsley in January this year chaired by Nancy Clancy.
2. We need to elect a treasurer-Alison Bankes
3. Determine needs if any expressed by attendees
4. Choose a co-chair for Nancy Clancy for the Empire State Bonspiel
5. Keep women up to date about upcoming curling events
6. Help improve the curling experience via instructions on rules and play
7. Determine if dues advisable, and if \$10.00 per year is OK.

## Welcome to the Tenth annual MacIntosh!

The MacIntosh, named for our own dear Jean MacIntosh, the hardest working woman in curling, is an event dedicated to the development of curling, by fostering new skips. Our junior skip event has a special format, namely putting non-skips at skip, and the skips at vice, in a teaching position. Due to the event's special nature, it requires special accommodations, in order to maintain a fair playing field.

1. If a team needs a substitute in the skip position, they must first ask the skip of the bye team. If she is not available, the vice of the team needing the sub may skip, resulting in 2 balance points (the object is to balance teams, not penalize them) awarded to the opposition; the balance points will be posted on the scoreboard prior to the start of the game, using the red back of the #9. The lead or second may move to skip without adding points.
2. Any sub may play her own position on another team, maintaining the team balance. A skip or vice playing in the front end (lead or second) will give the opposition 1 balance point subbing for the second, 2 points subbing for the lead, and loss of the first end hammer for both.
3. If a front end curler is absent, and the team must play with only three members, this will unbalance the teams. To correct this imbalance, the team with three will cede 2 rocks and the hammer in the first end to the other team. No balance necessary if the skip or vice is absent.
4. All games will be win/lose. Tied games will be decided by skip's rocks, with sweeping (one rock each skip). A team may concede at any time during the game. If two or more teams have tied records at the end of the competition, the tie breaker will be head-to-head records.
5. Timing Teams must start at 7:30 if three players are present. If only two players are present by 7:40, the late team will be assessed 1 rock and 1 end, for each 10 minutes of delay. The game will be reduced by the number of ends assessed. At 9:20 the end you are playing will be the last end for all games.

The MacIntosh is an event which answers the call of the true spirit of curling. This spirit demands good sportsmanship, friendliness, and honorable conduct. Have fun, everyone!

## TWO BROOMS EVENT

A competition between the Ardwick's and the Nutmeg Women Curlers to promote good curling.

The competition consists of one daytime and one evening draw. The clubs will alternate hosting the daytime and evening draws each season.

### RULES:

1. The Chairs need to agree on the 2 dates of the competition and the number of teams that will play. Two weeks beforehand, the HOST chair will remind the GUEST chair of the date.
2. The daytime game will commence at 10 AM with coffee, etc, being served at 9:30 AM. The evening game will commence at 7:30 PM, or at a time mutually agreed upon by the two clubs, with refreshments being served by the host club.
3. The games will be 8 ends.
4. Free Guard Zone Rule will be in effect.
5. A person may play in both games, but only play SKIP in one.
6. A curler playing SKIP in one game shall not throw last rocks in the other.
7. In an emergency, a visiting team with only three players may request a substitute to curl as LEAD.
8. The team match-ups will be drawn by the Skips of each Club just prior to the game.
9. The VICE-SKIPS will toss a coin, and the winner will choose between the hammer or going first. Color is pre-determined (see rule 10).
10. The visiting teams shall be assigned the top of the scoreboard.
11. The names of the team members will be recorded on the score card.
12. After the game, the HOST chair will prepare a report and provide a copy to the GUEST chair.
13. **SCORING:** for every game, record on the score sheet:
  - a. Win or Loss
  - b. Number of Ends won
  - c. Total Stones
  - d. Ties to be determined by an extra end - credit for win only, not the end, nor the stones scored in that end
14. **THE WINNER** is the Club with the most games won. If games won is tied, then winner is determined by the total of ends won. If ends won is tied, then winner is determined by the highest score (stone count).

The **Two Brooms Trophy** goes to the winning Club to be engraved and held until the following season.

**HISTORY:** This competition began in 1971 between the Ardsley Ladies Curling Club, Nutmeg Women Curlers and Westchester Wicks, under the name Ard-Nut-Wick. It was renamed Three Brooms on October 6, 1972. Revisions to the rules were made in the 1978-9 season, in January 1986 and on June 8, 1989 after the Ardsley Ladies Curling Club and the Westchester Wicks merged as one club under the name Ardwick's. At this time, the evening curlers were brought into the Three Brooms. At some point between 1991 and 1997, it was renamed Two Brooms.

# Ardwicks

Welcome and Best wishes for success in the McKay-Douglas Bonspiel!

Ardwicks, the women's Curling Association at the Ardsley Curling Club, wishes to thank everyone in the Club who contributed their time and efforts toward the success of the Empire State Bonspiel held at Ardsley on Jan 20-23, 2011. Without the interest and support of the Club members, nothing would have been possible. A good time was had by all our visiting curlers, the draws well attended, the food was delicious, and friendships and fellowship apparent in all activities. It was the contributions of all club members who made the event a great success. We wish the same success for the McKay-Douglas Bonspiel!

We wish you good fellowship, good times, and everyone a winner!

Be Thou our Skip throughout life's game,  
An' syne we're sure to win;  
Tho' slow the shot and wide the aim,  
We'll soop each ither in.

## Please Support Ardsley Curling Club and the McKay Douglas Bonspiel !

In December, Scott Silverman as Chair of the McKay Douglas sent out a letter which is repeated below.

The Journal we publish at the McKay Douglas Bonspiel, which this year is from February 24th to the 27th, is a major source of financial help to our club.

I am asking all of you as members to consider placing an ad in the Journal. Please consider whether you will purchase a full page, a half page, a quarter page, a Business Card size or simply add your name as a booster for the relatively small sum of \$25. Our goal is to achieve 100% participation in supporting our club via one of these levels. If you can sell an ad to any local business or employer this would be great as well.

Pete McCuen will be editing and coordinating completion and printing of the Journal. Please direct your e-mails and advertising copy to me at [vichuebner@optonline.net](mailto:vichuebner@optonline.net). Checks should be made out to Ardsley Curling Club and given to me, put in an envelope on the bulletin board at the club or sent to our mailbox. Sign up sheets will also be circulated at the club.

Your response is requested by February 6th, 2011 to provide time to produce and print the Journal.

Some of you have already responded for which I thank you!

On behalf of the Curling Club, thank you for the responses you are about to send!

Vic Huebner,  
President

Best wishes for good curling at the McKay Douglas International Bonspiel from

### *Ardwicks*

The women's curling association at Ardsley Curling Club.

The purpose of Ardwicks is to support women's curling leagues, bonspiels, and the United States Women's Curling Association, to inform women of upcoming curling events, and to encourage membership participation. The group focuses on helping to improve the curling experience for women through instruction in rules and play, and assisting new curlers in the development of their skills.

The name, Ardwicks, came as a result of the joining of the Westchester Wicks (founded in 1950 at St. Andrews) and the Ardsley Ladies' Curlers (founded 1966 at Ardsley) in 1989. The new name combined parts of both names as "Ardwicks".

The joint organization has over the years, contributed in many ways to the advancement of women's curling at Ardsley. The Tuesday night league, and Thursday morning leagues provide a pool of volunteers who work together on Ardsley Curling Club house events, and several men's bonspiels.

Women at Ardsley have hosted and taken part in the Empire State Bonspiel when held at Ardsley, and have faithfully sent two teams to the event sponsored by other clubs. They have hosted visiting members of the Scots and Canadian tours and annually take part in the All American event sponsored by the United States Women's Curling Association.

Ardwicks has painted the ladies room, provided curtains and tablecloths for the club from the money collected as dues from members. It has donated money to the club for special maintenance projects. They have also donated \$500.00 to the Norfolk Curling Club that lost its club house to arsonists, as well as supporting the McKay Douglas Journal with an ad.
