## **Ardwicks Meeting Tues. Night and Thursday Morning**

**Ardwicks, the women's division of Ardsely Curling Club that focuses on women's curling. Dues are \$10.00 per year payable to Allison Bankes.**

**Over the past year we have focused on establishing the legitimacy of the existence of Ardwicks as an organization. The Board agreed that we could continue.**

**One of the projects for the last year was painting of the ladies' room. This was accomplished by Alison Bankes and Barbara Gabhart in September. It looks beautiful!**

**We also resurrected the Two Brooms with Nutmeg Curling Club. This event is open to all women in the Club. The first leg will be at Ardsley on November 17, 2011 at 10:00 AM. Two teams will play from each club, and luncheon will be served.**

**The second leg of the Two Brooms will be played on January 4, 2012 at 7PM. Dinner will be served first, and play will begin at 7:45 PM. Ardsley will send 3 teams.**

**Sign up now on the sign up sheet with your teams for this Friendly play. Winning stones are counted per team's win to determine the winner. (The club with the most winning stones will carry off the trophy). Currently Nutmeg has the trophy, and we would like to see it come to Ardsley. So sign up and get ready for play!**

**A sign up sheet is available for the luncheon preparation for the Nov. 17<sup>th</sup> event. It might be better to sign up for meal preparation if you are not curling.**

**Future activities include determining if a curtain or screen could be placed in the changing room to provide privacy for those who are changing clothes for a game or Bonspiel.**

**We will determine if anyone is able to join with others in keeping the cupboards well stocked with paper products and other goodies for club use. Let me know if you can do this work currently provided by Goeff Brodhurst alone. Any help will be appreciated.**

## Ardwicks Bonspiel Events

The first leg of the Two Brooms with Nutmeg Curling Club will be played this year on November 17, 2011 at 10:00 AM--a Thursday morning Ladies group. This event is currently closed, two teams having signed up, and includes women who curl Thursday morning. Luncheon will be served at this event.

The second leg of the Two Brooms will be played at Nutmeg on January 4, 2011. This event is open to all women curlers. Please sign up with your teams on the bulletin board located in the basement at the foot of the stairs. The event, scheduled on Wednesday evening, the night Nutmeg ladies regularly curl; will begin at 7:00 PM with a dinner. Play will begin at 7:45, leaving time for latecomers to arrive.

The trophy is currently located at Nutmeg, where it has been spending too much time. We need to bring it back to Ardsley! Winning stones are counted for this event, and the team with the most stones, from Thursday morning and Tuesday/Wednesday night, carries off the trophy. Please sign up for this event.

A reminder that Ardwicks asks for \$10.00 dues to support women curling at Ardsley. Please pay your dues to Allison Bankes if you wish to join us.

Past activities include the painting of the ladies room by Allison Bankes and Barbara Gabhart. We have restarted the Two Brooms friendly bonspiel with Nutmeg, and contemplate other activities in the future.

Please also sign up to help Goeff Brodhurst with replenishing supplies in the closet, supplies that are used for meal preparation, and general enjoyment of the Club facilities. Most of the shopping is done at Costco. The job can be divided among several people, each focusing on particular items. Many hands make light work.

The Senior Womens Bonspiel was held at Nutmeg Curling Club from Nov. 9<sup>th</sup> to 13, 2011. Representing Ardsley were Mieko Takiguchi, Karen Luckey, Pippa Brodhurst, and Kris Liddle. The team won second place in the second event thanks to the skillful skipping by Mieko Takiguchi.

## Activity of Ardwicks

The Ardwicks have been busy this year. In the beginning of the Curling season, Alison Bankes, and Barbara Gabhart painted the ladies room a beautiful color, making it a much more attractive space.

We have resurrected the Two Brooms with Nutmeg Curling Club. The Two Brooms is a friendly event between Ardsley and Nutmeg Curling Clubs. The games are played on Women's curling nights at the two clubs, as well as a morning event among the women who play during the day. Times and occurrence between the two clubs are alternated each year.

The morning version of the Two Brooms, scheduled for Nov. 17, 2011 was cancelled because the night before, Ardsley lost their ice. However, play was possible on the following day, and the Thursday women were able to enjoy the luncheon prepared for the event. This leg of the Two Brooms was rescheduled for Feb. 2<sup>nd</sup>, 2012, when with help from the weather, the Bonspiel will go forward.

The January 4<sup>th</sup> Two Brooms, evening Ardsley winner was Nancy Clancy's team, but two other Ardsley teams lost to Nutmeg. The number of ends won, and the number of winning stones determine the score. If games are tied, the number of stones won become critical in determining the overall winner. Participating Ardsley teams were:

Ardsley 1.  
Nancy Clancy  
Laureen Paul  
Julie Everett  
Leeza Furman

Ardsley 2.  
Taylor Block  
Nichole Zahour  
Mieko Takiguchi  
Kristin Liddle lost their game, as did Ardsley 3.

Ardsley 3.  
Dolores Redding  
Melissa Dominquez  
Ann MacMillan  
Louise Corry

Taylor Block's team performed very well against a superior Nutmeg team, winning two ends against Nutmeg's top players. Some of her planned team was lost to illness and previous commitments, with last minutes substitutions. Similarly Dolores Redding performed heroically against strong Nutmeg competition.

Weezy Corry, Alison Bankes and Barbara Gabhart and served in the Warm Room after the event.

The second event will be held at Nutmeg and will involve the Tuesday evening group, held probably on a Wednesday, Nutmeg's ladies curling evening. We will have to await information from Nutmeg regarding times and dates.

Winning stones are counted from Thursday Morning and Tuesday (Wednesday) night. The club with the most winning stones carries off the trophy. (Which by the way has been spending too much time at Nutmeg.)

Pete,

That sounds good to me. Geoff says out-of-towners get breakfast at Hampton.

I will pass on everything to Kris Liddle head of Ardwick's and we'll give you a complete schedule (of who and what food) in early January.

By the way the Messiah is on Sunday at 4 pm (I know you and Lorraine enjoy it).

Pippa,

Last year there were 17 teams. Should be about the same this year.

Proposed budget is \$500 for each lunch and \$75 for each breakfast.

No cooking at breakfast- Lots of coffee.

2/3 big orange juice (one each day).

Fresh fruit- Bananas, navel oranges (or tangerines) and grapes.

2 dozen yoghurt with fruit on bottom

2 - 4 Enterman Coffee cakes (precut into reasonable pieces - nut huge chunks

Coffee is at the club (we need to get a gallon of 2% milk for all three days).

Remember out of town people will get breakfast at Hampton Inn and may not have anything but coffee. I will buy the stuff and help Mieko the first morning (can set up coffee night before and earliest person running the bonspiel can plug it in upon arrival) (possibly guy who does the ice - Pete can tell us) .

I am pretty sure that Alison committed us to breakfasts Alison.

Pippa

Off to church - home after 12

Wait a minute, we are doing breakfast as well as two lunches and for three mornings? What does a breakfast usually consist of? We ladies are "cooking". Give me more details before I send out the notice. Best wishes, Kris

Kris,

I think you should send out an email to ALL women curlers on Tuesday or Thursday saying what we have committed to doing and would the Tuesday night curlers please let you know if they can help on Saturday (need about 7 and 1 person in charge).

You can use the list from one of Nancy's emails and just add the women from Thursday (who do not curl Tuesday also).

We are doing the breakfasts also (3 mornings). Remember out of town people will get breakfast at Hampton Inn and may not have anything but coffee. I will buy the stuff and help Mieko the first morning (can set up coffee night before and earliest person running the bonspiel can plug it in upon arrival) (possibly guy who does the ice - Pete can tell us)

BKFT should be small (lots of coffee for all) but only locals will have a true bkft.
